The young people of the M. E. church are to give a reception on Friday evening at the Free Reading Room, to the young people of this city and those in the rural districts. The Epworth Leaguers are particularly anxious to have young men and women attend who are not affiliated with the church that all may become better acquainted. An interesting program is being prepared and the social side will not be overlooked.

Train and mail service was resumed on Tuesday after being suspended for five days. The two trains which had been tied up at Garibaldi were able to reach this city on Sunday, and on Tuesday morning they both started for Portland. The train which arrived from Portland on Tuesday had all the delayed five days' mail, and as it filled a large express wagon, it took several hours to sort it. At midnight, when the post office staff quit for the day, most of the mail had been sorted.

### CRUDE SUGAR FACTORY ASSURED.

#### Dairymen Have Signed Up In Sufficient Numbers to Furnish the Whey.

Tillamook County is to have a crude sugar factory and later a sugar refinery, as almost enough whey have been contracted to justify putting \$30,000 into a factory to extract sugar from whey. Mr. A. H. Hill, the Pacific Coast Agent for the National Milk Sugar Company, of New York, is in the city conferring with Bert Severance, who has been getting things in shape and contracts signed for whey. In making a start on the Pacific Coast to extract sugar from whey, Tillamook City had a great advantage over other points in the northwest, for more whey can be obtained in a smaller area in the neighborhood of Tillamook City than any place in the United States. It is proposed at first to erect and operate a crude sugar factory and ship the crude sugar East to be refined, but as soon as other sugar factories are erected, also to erect a refinery in this county. It is probable that Cloverdale will have a sugar factory, as that is another point in Tillamook County where a large amount of whey can be obtained in a small area. The whey will be hauled from the cheese factories in auto trucks every day, and the dairymen have entered into contracts to dispose of the whey for 5c. per one hundred pounds, and a large number have done so. Each sugar factory will employ about 25 men. One feature about a sugar factory, is that as soon as one is established here, it will do away with the un-

wholesome smell around the cheese factories often caused by whey.

### Another Pioneer Passes Away.

We have to announce the death of Mrs. Syrah J. Perkins, or better known as Grandma Perkins, who passed away on Wednesday in this city at the age of 92 years. She was one of the early pioneers of Oregon and crossed the plains in 1853 and endured the hardships and privations of those strenuous times. The deceased lady was highly respected in Tillamook County, everybody having a kindly word to say of her. She was a loving wife and mother, and her relatives and friends will always remember her with much reverence. She had been an invalid for a number of years.

Sarah J. Perkins was born in Jenese County, New York, on the 17th March, 1820. When a child she moved with her parents to Indiana. About the age of 21 she was married to William H. Perkins, of Momenca, Ill. In the summer of 1853 they crossed the plains and settled in Yamhill County, Oregon, where they lived until October, 1862. They moved to Tillamook County where she has since made her home. Her husband died in 1890 in Tillamook County. She leaves two children, Maryette Johnson, of South Prairie, and Miron Perkins of this city. She also leaves 14 grand children, several great grand children and six great, great grand children to mourn their loss. At the time of her death she was 92 years, 8 months and 3 days old. The funeral service will be held on Friday at the home, and the interment will be in the Oddfellows Cemetery.

### Birthday Parties.

W. D. Stillwell reached the age of 88 years on Saturday, and to celebrate this event on Sunday a number of relatives and friends gathered at the Stillwell residence, when a pleasant time was participated and congratulations extended to the venerable gentleman. There were four generations of the Stillwell family at the gathering, viz., W. D. Stillwell, M. V. Stillwell, Robert Stillwell and daughter, Marcia Louise. Mr. Stillwell is one of the early pioneers of Tillamook County and has always been much respected. He was born in Ohio, and at the age of 20 crossed the plains with his parents in 1844, reaching Oregon in 1845. He took part in the Indian Wars and in the Yakima and Cayuse wars. He was wounded with a flint arrow head, which he carries in his hip at the present time. Those present were: Mr. and Mrs. Dane Martiny, Mr. and Mrs. W. H. Eberman, Mr. and Mrs. E. W. Stanley, A. J. Stillwell and family, L. L. Stillwell and family, R. R. Stillwell and family, W. S. Hays, Miss Florence Eberman, Floyd Eberman and Ida Reynolds.

A very pleasant surprise party was given Saturday evening in honor of Frank Severance, the occasion being his 67th birthday. The members of the Morning Star Rebekah Lodge of which Mr. Severance is a charter member met, some 50 or more strong at Ed's Garage at 7:45 and went in a body to the home of Mr. and Mrs. Arthur Ruger, where Mr. Severance is making his home at present, and surprised him genuinely. The evening was spent enjoying music and amid games and other amusements and at 10:30 all partook of a bounteous supper, after which Mr. Severance was presented with a pair of beautiful cuff links consisting of three engraved links from the lodge. Several other beautiful gifts were also tendered, all of which went to show the high esteem in which Mr. Severance is held by his many friends. In return Mr. Severance greatly appreciates the many tokens of love and friendship extended towards him and will ever remember with pleasure the celebration of his late birthday.

Those present at the party besides the members of the lodge were Misses Lillian and Ruth Severance, Mr. Cloyd Dawson, Walter Severance and Mr. Dan Oliver.

### Card of Thanks.

We wish to thank our many friends for their kindness and sympathy shown in caring for the remains of our Dear Boy and for the many tokens of love and kindness. To the Boys on the Road, we want to specially thank for their kindness and faithfulness. Mr. and Mrs. L. V. Wilson and daughter.

### Killed On The Railroad.

Ray Wilson was fatally injured on Friday at Banks by a train accident. He was a brakeman on the P. R. & N., and lost his balance and fell from the train while it was in motion. He struck his back on a cattle guard breaking the vertebrae. After the accident the unfortunate man was placed on the passenger train and taken to Hillsboro, but died before reaching that city. He had been working on the railroad for over a year. He was conscious up to the time of his death, but had very little to say, with the exception of making a request that some one tell his mother good bye for him. The unfortunate young man was the son of Mr. and Mrs. Lee V. Wilson, of Sandlake, who recently moved to the city, and was well known and respected in Tillamook County. He was born at Prineville, Ore., Jan. 1, 1890, and lived there most of the time until he came to Sandlake with his parents two years ago. The body was brought to Tillamook on Tuesday, and the next morning the funeral services took place in the Presbyterian Church, conducted by the pastor, Rev. D. A. Mackenzie, and Rev. D. L. Shrode, and the interment was in the Oddfellows' cemetery.

### KEEPS STEP WITH PROGRESS.

#### Buckley, Wash., Joins the Bitulithic Ranks.

The taxpayers, the men whose money pays for civic improvements, are the men who are interested in getting their money's worth. When a paving proposition is under consideration, they are doing some investigating, as well as the city authorities. As a rule, whenever bitulithic awards are made, it is after a thorough investigation of the merits of the various pavings under consideration, and upon the urgent request of the taxpayers, who, if they must pay for city improvements, desire the kind that will withstand heavy traffic, and keep the repairs bill down to the minimum. Such was the case at Buckley, Wash., where the recent award met with the hearty and practically unanimous approval of those most interested.

### School Notes.

The play given by the Boys' Athletic Association on Friday and Saturday nights, was well attended and according to reports was enjoyed immensely. The boys held a business meeting on Monday and decided to pay up all bills of the Athletic Association, and with the remaining money to buy basket ball material. A vote of thanks was extended to the three young ladies who assisted so ably in the drama, and it was also decided to extend to Mr. Moore a little present for his services as athletic director. The Ciceronian Literary Society will give their second program of the year Friday. A very interesting program is expected. The Emersonian program was put out on Monday, leaving about three weeks for those on the program to prepare their parts, making no excuse justifiable for not being prepared.

A C. L. S. meeting was called on Tuesday to elect a pianist, as Helen Stam was both pianist and secretary. She resigned as pianist and Freda Schnelle was elected in her place.

A debate meeting was held on Tuesday for the purpose of determining the number of candidates for the team. Tillamook will debate Woodburn on December 6th, in the High School Auditorium. The question is: "Resolved: That the Electoral College should be abolished, and the President nominated and elected by the direct vote of the people." The Tillamook High will take the affirmative of the question. There will be three debaters on each team. The first try-out was held on Wednesday, November 21. Tillamook was quite successful in debating last year, and we all hope she will win the District and even the State Championship, and that is not improbable as T. H. S. has some very good material.

The High School foot ball team will try to gain revenge from the Tillies on Thanksgiving. From reports both teams will be strengthened.

Clarence Stanley, a member of the class '10, T. H. S., entered the Holmes Business College of Portland last week.
