J. S. LAMAR, DRUGGIST, DESERVES PRAISE.

J. S. Lamar, druggist, deserves praise from Tillamook City, Ore., people for introducing here the buckthorn bark and glycerine mixture, known as Adler-ika. This simple German remedy first became famous by curing appendicitis and it has now been discovered that A SINGLE DOSE relieves sour stomach, gas on the stomach and constipation INSTANTLY.

W. S. Skelton, a merchant at Stanley, Ind., says he would not take \$100.00 for the relief a single box of Foley Kidney Pills gave him. "I had a severe attack of kidney trouble with sharp pains through my back and could hardly straighten up. A single box of Foley Pills entirely relieved me."

Don't You Believe it. Some say that chronic constipation cannot be cured. Don't you believe it. Chamberlain's Tablets have cured others—why not you? Give them a trial. They cost only a quarter. For sale by all dealers.

The Best Cough Medicine. "I have used Chamberlain's Cough Remedy ever since I have been keeping house," says L. C. Hames, of Marbury, Ala. "I consider it one of the best remedies I ever used. My children have all taken it and it works like a charm. For colds and whooping cough it is excellent." For sale by all dealers.

Don't Buy Any Range "Unseen, Unseen". The Range With a Reputation. If anyone should ask you to buy a team of horses "unseen, unseen," from a mere printed description you would think he intended to "sting" you. Now there is no more sense in buying a range "unseen, unseen" than there is in buying a team of horses—nor is it necessary. The Great Majestic is in use in almost every township in the United States west of the New England States—and it will pay you to drive an extra ten miles, if need be, to see and carefully examine the Great Majestic—the range with a reputation—built on honor—of the best materials—before investing your money in a range of any kind. You don't buy a range every day, or indeed, every year, and when you do, you want the best your money can procure—that's the

Great Majestic Malleable and Range Charcoal Iron Range. Outwears Three Ordinary Ranges. It is the only range made entirely of malleable iron and charcoal iron. Charcoal iron won't rust like steel—malleable iron won't break, and while the first cost of a Great Majestic may be more than some other range, it outwears three ordinary ranges. Economical—Saves Half Your Fuel. The Majestic is put together with rivets and bolts and stove bolts. The joints and seams will remain air tight forever. The oven is lined with guaranteed pure enameled board, covered with an iron grate where other ranges are weakest—be sure you can see it. No heat escapes or cold gets in. Taken hot half the fuel used in other ranges for perfect baking. All Copper Reservoir—Against Fire Box. The reservoir is all copper and heats like a tea kettle through a copper pocket, clamped from one piece of copper, setting against left hand line of two bars. It boils 15 gallons of water in a very few moments and is instantly moved away from the fire. Ask Us To Show You The Greatest Improvement Ever Put In A Range. Increasing the strength and wear of a Great Majestic more than 200% at a point where other ranges are weakest—be sure you can see it. No heat escapes or cold gets in. FOR SALE BY ALEK. MCNAIR CO.

A Morning Reminder. You awake with a peculiar nasty taste in the mouth, which reminds you that your stomach is in a bad condition. It should also remind you that there is nothing so good for a disordered stomach as Chamberlain's Stomach and Liver Tablets. They build up the system, assist nature to restore natural conditions, and are so gentle in their action that one hardly realizes a medicine was taken. Chamberlain's Tablets are sold everywhere. Price 25c.
