

Advantages of a Checking Account

I Safeguarding Funds.

Over ninety per cent of transfers of funds in business are made through the medium of bank checks, thus avoiding the dangers incident to carrying large sums about, and the risk of making the wrong change.

This method enables the business man or individual to keep his money safely in the bank, instead of on the premises or about the person, where it would be subject to hazard.

A checking account at this bank is a great convenience and costs the depositor absolutely nothing. To obviate handing the account a loss the bank requires that reasonable average balances be maintained.

Mole and Gopher Bounty.

Every week brings an increase in the number of moles and gophers caught in the county, the citizens taking a lively interest in killing these pests. What is most surprising is the large number caught by some of the citizens, as the following will show:
 John Stuevenga..... 48
 Lizzie Balmer..... 80
 Alvin Wells..... 256
 Wm. Himes..... 180
 John Stuevenga..... 90
 Elizabeth Balmer..... 100
 E. E. Rowland..... 43
 One amusing incident occurred in this city, when Sheriff Crenshaw's little boy seeing a mole at work where he was playing, killed it with rocks. The little fellow, hearing people talk about receiving money for moles, had become confused, thinking they were worth \$25 and told his father that. The sheriff obtained the 25c. bounty for the boy and paid him in pennies, and the boy is now diligently looking for more moles.

Two Games on Sunday.

The fair last week caused the baseball boys a lot of trouble. No games could be played on Friday and Saturday, but two games were played Sunday afternoon. Tillamook won both games, which were two of the best games ever played in the city. The score of the first game was 5 to 4 and the second game 3 to 0. The locals got nine hits in the first game, while the best the Gill Butchers could do was to get five hits off Tuerck. While the locals got six hits in the second game to the Gill Butchers two Harry Sutor allowed no hits in the first two innings, while Mills allowed only two during the balance of the game. The Brooklyn Grays will play two games on the home grounds at Stillwell Park next Sunday. First game, 10 a.m.; second game, 1 p.m.
 Remember the time of the baseball games next Sunday. First game called 10 a.m. sharp. Second game, 1 p.m. sharp, as the Brooklyn team must catch 4:05 p.m. train for Portland.
