When he arrived a few mornings meren improved roads and make Land of Ready Money, Dairy ago on passenger train No. 36, Herds, Cheese, Fish and Dahlias.

The United Artisans have invaded Tillamook County and the invaders found it to be a place where people grow rich making cheese and happy growing dahlias. It is a land skirted on one side by wonderful forests and on the other by beautiful beaches of white sand-the boundary of the Pacific ocean, where one may listen to the diaphonics of the waves as they play upon the keyboard of the shores. Owners of dairy herds flash checks of \$500 or more in your face, the proceeds from the milk of 40 cows for one month. They kick up the black loamy soil while talking of its fertility. They point to the 'ong stretches of meadow land where grass is green all the year round. They talk of lumber by millions of feet. They dump boat loads of salmon upon the wharves. They take you to see a score or more of

cheese factories where Tillamook No doubt the County Court would full cream cheese is made. They se started work improving the take you over many miles of maato Sandlake this year, but as cadamized roads; show you conthese the wise precaution to have crete bridges, low grades and exnew roads properly surveyed so pensive road machinery.
