The bride is a young woman much respected by her friends and neighbors, who wish the happy couple a long life of happiness.

The members of the county court on Saturday did some guessing when a party entered the room for the purpose of having Judge Mason perform a marriage ceremony. The cause of this was the difference in the age of the parties, and they wondered who were to be the happy couple. Not, however, as they had figured, for the youngest and the oldest persons in the party were the ones to plight their troth, and who wanted the judge to tie the nuptial knot. This Judge Mason did to their satisfaction with very little ceremony. The contracting parties were John M. Burton age 50 years and Miss Ruby Pearl Countryman age 19.
