A marriage license was issued to Elmer Griffith and Rose Baker.

Several rigs came in by the South route on Thursday evening, bringing passengers.

A. C. U. Berry, of Portland, and C. L. Houston, of Astoria, who have the contract for the Nehalem bar, were in the city last week and owing to the tie up on the railroad hit the ties.

The three year old daughter of Mrs. Gertrude Sanders, who reside at East Beaver, fell from a chair Tuesday and broke its arm, Dr. Boals being called to attend to the injured limb.

Leo Doerge, the boy who was accidentally shot and who has been in Dr. Boals' hospital since then, was taken to his home on Wednesday, as he is on the road to recovery after a close call.

Charles Burke, who was well known in this city, where he previously resided, died at Cloverdale on Tuesday. He had been sick for about two months, with cancer of the stomach. He leaves a wife and family.

George R. McKimens was in the city on Thursday from Nehalem, and he informs us that the water was higher in that vicinity than it has been for 25 years, with the telephone wires all out of commission.

Sheriff Crenshaw has moved his office to that previously occupied by County Treasurer Beals, the latter moving into the sheriff's office, which will give Mr. Beals more room now that he is tax collector.

Four teachers of our public school, who have been spending the holidays outside and who started in Sunday, were compelled to return on account of the train being unable to get here. They are: Mr. and Mrs. Will, Miss DeBar and Miss Uland.

The Woman's Relief Corps will meet in I. O. O. F. hall Saturday afternoon for installation of officers. It is requested that all who possibly can, will be present. After installation a banquet will be served to all members and their families, also all G.A.R. men and their families.

The friends and neighbors of Mrs. N. A. Wilson gave her a surprise, Wednesday, Dec. 31, at her home on Wilson river. It was her birthday and the evening was spent in games and refreshments served. The crowd stayed long enough to greet the New Year, everyone having a merry time.

O. A. Lommen was down from Nehalem Thursday and although the high tides in that part of the county have done some good to the bottom lands, some damage was done. On the Batterson place the water came into the barn, and the cows had to be driven on top of the hay which will be destroyed.

The marriage of Mr. Preston Williams and Miss Eleanor Grace Mankins took place Dec. 26th, at the Baptist parsonage, Montavilla, Portland. Rev. H. T. Cash performed the ceremony. They will make their home in Tillamook.

The members of the Nazarene Church gave a boucteous dinner at the church on New Year's day. Many others took part, helping the church in donations. The dinner was free and everyone was welcome, whether they furnished anything or not. A special invitation was given to the poor and also strangers. The meal was equal in quality to any banquet, nearly everything in the way of eatables being served. After all had partaken, there was still a large supply of food left.

## STORM CRIPPLES RAILROAD SERVICE.

Mail to Come in by Stage from Willamina.

The rain and wind storms which commenced on Saturday evening and kept up for several days put the P. R. & N. out of business for three or four weeks, leaving Tillamook County without railroad facilities. The passenger trains which left Portland and Tillamook on Sunday morning were unable to get through and on Sunday evening the train returned to the city. The first trouble was the washing out of a bridge near Buxton, and this caused the passenger train from Portland to return to Hillsboro. Between this city and Wheeler there are seven slides, one of the section bosses having to pack his speder over them when he came to this city on Tuesday. Travel and the mail were interfered with the first of the week owing to the small bridge at East Beaver going out on Monday morning, but a temporary foot bridge was erected so that people could cross on Tuesday.

Postmaster Baker was in telephone communication with Chief Clerk A. S. Rand on Monday, when a preliminary plan was outlined for mail to be brought in via Willamina, but the wires going down nothing was known here what was being done. On Wednesday the postmaster sent four day's mail out by the South stage, hoping to meet a stage at Hebo next day, but which failed to make its appearance. Thursday afternoon the postmaster received the following instructions: Postmaster, Tillamook, Ore.

Temporary messenger service authorized between Willamina and Hebo three times a week. Leaves Willamina Thursday and Saturday, Hebo, Friday and Sunday, after which will leave Willamina Monday, Wednesday and Friday, Hebo, Tuesday, Thursday and Saturday. Dispatch all mail via Willamina until further notice.

A. S. RAND, Chief Clerk Railway Service.

## Oddfellows and Rebeccas Install Officers.

The new I. O. O. F. lodge room was used for the first time on Tuesday evening, and notwithstanding the inclement weather, about 80 persons attended the installation of officers. The beautiful lodge room was a wonderful improvement over the old hall used for lodge purposes. The I. O. O. F. lodge is gaining in membership, for on Tuesday evening three new members were initiated and five elected to membership. J. S. Lamar, who is the Deputy Grand officer of the lodge, installed the new officers:

Fred Minich, N. G.; B. E. King, V. G.; S. A. Brodhead, Secy.; J. C. Holden, Treas.; Edgar Munson, Van.; Henry Crenshaw, Com.; J. S. Lamar, R. S. to N. G.; A. L. McCarty, L. S. to N. G.; E. M. Condit, R. S. to V. G.; E. D. Allen, L. S. to V. G.; L. Lucas, R. S. S.; D. E. Robinson, Chap.; Oscar Swenson, O. G.

The following officers of the Rebecca Lodge were installed Wednesday evening for the ensuing year: Mary White, N. G.; Bessie Chaffee, V. G.; Phoebe Snodgrass, Recording Sec.; Mae Maddux, Fin. Sec.; Georgia Sowers, Ward.; Bernice Lucas, Conductor; Grace Jackson, O. G.; Frank Severance, R. S. N. G.; Alice Wolf, L. S. N. G.; Mable Davis, R. S. V. G.; Zella Condit, L. S. V. G.; Sarah Warnick, Chap. After the business of the lodge was disposed of, the male members gave the ladies a surprise in the way of a delicious lunch, which was enjoyed by all.

Owing to the tie up on the railroad, it was decided to postpone the dedication of the new I. O. O. F. building until some future date, as it is impossible for the Grand Lodge officers and others to be here. Announcements will be made later when the building will be dedicated.
