

A Farmer Near Here

drove five miles the other day to pay a debt, losing half a day's time doing so.

Had he been a depositor with this bank, he would have mailed his check at an expense of two cents, and spent his time more profitably.

It's an extravagance not to be a bank depositor, for nothing helps so much to save time and money as having an account with

The auditors in the case of John Leiland Henderson vs Tillamook Hotel Company has filed their report. As it will be probably some time next month before Judge Webster Holmes will return to the city the case will not be decided until then.

Ed. Hadley is expecting a car load of Ford autos from Detroit, containing eight cars. He was handicapped last year, not being able to obtain enough cars and quite a few persons were disappointed. He has more cars ordered, but he says those who want others should put in their orders at once, on account of the great demand for these machines.

The W. R. C. met in regular session Saturday afternoon. Three new candidates were initiated, namely, Mrs. Kate Stillwell, Mrs. Alice Anderson and Mrs. Mary Maddux, also two of the G. A. R. veterans, Mr. Fitzgerald and Mr. Weston, who were admitted as honorary members. After the business was concluded a short program in honor of George Washington was rendered, followed by the customary birthday lunch.

A new 23-passenger auto car of the White make attracted considerable curiosity in the city on Saturday. It is to make the run between this city and Cloverdale, leaving after the arrival of the afternoon train and to return in time to catch the passenger train leaving this city in the morning. The car will also be used for trips during the day to Netarts and other points. Charley Howland is the owner of the car which cost \$4,500.

Tillamook County, a municipal corporation of the State of Oregon, on the relation of James Langley plaintiff, vs. W. J. Stephens and Henry Wolfe, defendants, is a suit filed in the circuit court. The action is to recover \$906.62 from the defendants who were sureties on a bond given by Mead & Son for \$1700, who had taken a contract for road work. The contractors were unable to fulfill their contract and went into voluntary bankruptcy, there being several sums of money owing. The plaintiffs now sue for the amount.

Next Tuesday the new I. O. O. F. building will be dedicated, with appropriate exercises, followed with a banquet, and it is estimated that 400 persons will take part in the dedication. This was to have taken in January, but owing to the tie-up on the railroad it had to be postponed. It is expected that Judge W. Galloway and Judge Thos. Ryan, of Salem, and Mrs. Woodman, president of the Assembly, and other Grand Lodge officers will be present. All members of the order are cordially invited to attend, and delegations from the lodges at Bay City and Cloverdale will attend.

The Shakespeare Club held its regular meeting at the home of Mrs. B. C. Lamb on Friday. After the business meeting a pleasant social time was enjoyed before the guests were invited to the dining room. It being near St. Valentine's day the hostess carried out the idea in her table decorations, luncheon, place cards and favors. Cupid spoke through the hearts on the place cards, with many witty little misquotations. The floral decorations were pink carnations. Invited guests were Mrs. Andy Nolan, Mrs. Carl Haberlach, Mrs. Emmet Bales and Mrs. Ira Smith.

The Kill Kare Klub met at the home of Mrs. Mason on February 5th, 1914, with eleven members present. The afternoon was spent in seeing a game in which Mrs. Christensen showed her ability in dart throwing, Mrs. Christensen receiving the prize. Mrs. Mason deserves much credit in the novel and original place cards provided. After much hunting every one finally succeeded in finding her own card, and were seated to a very dainty lunch. The guest of the afternoon was Mrs. Franklin. Every one went away expressing themselves much pleased to have been there.
