

The Prime Objects

of every money earner should be to lay up something for the future; to reach middle life with something substantial to show for the labor of years; to have a home and property.

Then the inevitable emergency, or declining years can be approached without flinching; trouble can be looked in the eye.

The world owes us all a living and more, too. The "more" represents what we put aside in a good bank where it may grow in safety.

Put your surplus in this bank. We have space on our ledger for YOUR account.
