He Voted against the New Tax Law and stands for Reduction of out penalty. Economy, Efficiency-Dignified Law

Enforcement. SYNOPSIS OF RECORD AND PLATFORM.

I was born and reared upon farm in Buffalo County, Wis., educated myself by my own efforts, and have practiced law in Portland since June 1, 1894. Have always taken an active part in public affairs, and have held several official positions, I stand by my record as State

Senator at the last session of the legislature. I worked and voted against the new tax law, and favor a law making taxes payable semiannually without penalty.
Only five of the laws passed at

that session were referred to the people by referendum petition; four of these the people approved by overwhelming majorities, and I voted for them; the fifth was almost as badly defeated, and I had voted against it in the legislature.

To the I worked and voted for Senato

Malarkey's minimum wage bill for women, providing for an impartial commission to fix the maximum hours of labor and the minimum

amount of pay.

I favor a similar law providing for an impartial commission without compensation, to fix the maximum hours of labor for men in the various industrial occupations; this in preference to a flat eight hour law. I favor further good roads legis-

lation with state aid, so that we may have cheaper transportation from the farms and producers in every direction.

I fayor the reduction of taxes by consolidation of various commis-sions, or the abolishment thereof,

and placing their duties into the hands of the State Board, and by the reduction of the expense of conducting the various departments of the state.

I favor suitable appropriations at all times endeavor to administer the office with efficiency, accuracy
