

FOR GOVERNOR

GUS. C. MOSER.
REPUBLICAN PRIMARIES
MAY 15th.

He Voted against the New Tax Law and stands for Reduction of Taxes, payable semi-annually, without penalty.

Economy, Efficiency—Dignified Law Enforcement.

SYNOPSIS OF RECORD AND PLATFORM.
I was born and reared upon a farm in Buffalo County, Wis., educated myself by my own efforts, and have practiced law in Portland since June 1, 1894. Have always taken an active part in public affairs, and have held several official positions.

I stand by my record as State Senator at the last session of the legislature. I worked and voted against the new tax law, and favor a law making taxes payable semi-annually without penalty. Only five of the laws passed at that session were referred to the people by referendum petition; four of these the people approved by overwhelming majorities, and I voted for them; the fifth was almost as badly defeated, and I had voted against it in the legislature.

I worked and voted for Senator Malarkey's minimum wage bill for women, providing for an impartial commission to fix the maximum hours of labor and the minimum amount of pay.

I favor a similar law providing for an impartial commission without compensation, to fix the maximum hours of labor for men in the various industrial occupations; this in preference to a flat eight-hour law.

I favor further good roads legislation with state aid, so that we may have cheaper transportation from the farms and producers in every direction.

I favor the reduction of taxes by consolidation of various commissions, or the abolishment thereof, and placing their duties into the hands of the State Board, and by the reduction of the expense of conducting the various departments of the state.

I favor suitable appropriations for our State Educational Institutions, and the continued improvement of our great bulwark—the public school system.

And above all, I favor the vigorous and efficient enforcement of all the criminal statutes, including those regulating or prohibiting the sale of intoxicating liquors, and this I shall do with firmness and impartiality. The rich, the poor, the great, the humble, the capitalist, the laborer, the churchman and the liquor dealer shall be measured by the same standard, and each shall answer for his own acts.—Paid advt.

REPUBLICAN VOTERS SHOULD BEWARE

Party Should Be Represented on National Committee By a Republican

The Republicans of Oregon are entitled to have a Republican named as the National Republican Committeeman from this State. C. W. Ackerson, who claims to be a Republican, is a candidate. He registered as a Progressive January 8, 1914. Then signed petition of H. W. Coe to be Progressive National Committeeman. Then cancelled his registration as a Progressive and registered as a Republican and immediately filed his candidacy for membership on Republican National Committee. Has been an intimate and convenient understudy of the Progressive National Committeeman and seems now to be in combination with him in an attempt to shanghai the Republican organization. His candidacy is being actively backed by parties hostile to the Republican party and having personal interests and private personal grudges to serve. His erratic and excitable temperament has frequently led him to flood the columns of the press with violent attacks upon the Republican party and vicious personal abuse of prominent Republicans and life-long residents of the State.

It is a grave abuse for parties who are not Republican to register as such. It is a graver abuse for outsiders to attempt the capture of a political party to gratify a personal grudge and to promote party discord. It is an abuse against which fair-minded men of all parties will rise in protest. We can never have a reunited party by pushing to the front political theocrats and men who are political reformers simply for the sake of office. Having been a Republican only twenty-four hours when he announced his candidacy for the highest honorary position in the gift of the party, is some indication of what Mr. Ackerson's motive was in registering as a Republican. As Hon. Ralph E. Williams is the only Republican who is a candidate for Republican National Committeeman, we feel warranted in urging all loyal Republicans in the state to give him their earnest and enthusiastic support.

JOHNS For REPUBLICAN Governor

Give this Job to a man who will reduce Taxes and cut down expenses

If you had an interest in a private business you would want it conducted on business principles. You have an interest in the affairs of this State. The State of Oregon is a business institution run for the benefit of the people in it who, in a certain sense, are stockholders in its business interests.

TAXES MUST BE REDUCED!
In the coming primary election, Charles A. Johns, of Portland, will ask the vote of every person who believes the State of Oregon needs to have taxes reduced and expenses cut down. The only way to reduce taxes and cut down expenses is to apply the same principles in running the State that you would apply in running your own business. How many institutions would run along with an increase of operating expenses from year to year? Not many. Well, let's reduce our taxes and cut down our expenses. Charles A. Johns, of Portland, is running on that platform and stands on his platform. Get him on the job! Start thinking about this today!

Will you elect a man who will cut down expenses and reduce taxes, or a politician, as our next Governor? The issue is clear. One will cut down taxes—the other will give jobs to his political friends. Which do you want? Paid Advertisement.
