THE TILLAMOOK HEADLIGHT.

FARMERS' MEETINGS NEXT WEEK.

At Nehalem, Tillamook and Cloverdale.

Every farmer in the county should plan to attend the big farmers meetings which are scheduled as follows:

Thursday, June 11, 1 P. M. Nehalem at Union Hall.

Friday, June 12, at 1 P. M., Tillamook at Court House.

Friday, June 12, at 8 P. M. Tillamook at Commercial Club.

Saturday, June 13, at 1 P. M., Cloverdale.

Saturday, June 13, at 8 P. M. Beaver.

Improvement of our dairy herds will be the main topic of the day. Some of us are apt to think our stock needs no improvement but on closer examination we find that we have not yet reached the maximum nor even a high average production. According to the cheese report for 1913 there were 36,885,290 pounds of milk delivered at the cheese factories of the county.

This milk represents a product of about 9000 cows and last year contained an average of 3.97 per cent of butter fat which sold for 38.32 cents per pound. In round numbers, this means a production of 4000 lbs. of milk, 160 lbs. fat and \$64 gross income from the average cow in Tillamook County. Many farmers are realizing much more than this and there is no reason why the average of the county cannot be 300 lbs. or better of fat. Practical methods for increasing this production will be the main theme for discussion.

Loganberry culture and marketing will also have an important place on the program. Our soils and climate are especially well adapted to the growing of this plant and we are all vitally interested in the best methods of propagating and handling this crop. Prof. W. S. Brown of the Extension Division of the State Agricultural College will tell us how to handle loganberries.

The other speakers will be M. J. E. Dorman of the U. S. Dairy Division, Prof. W. A. Barr of the State College and R. C. Jones, County Agriculturist of this county.

Meetings are entirely free and everyone is invited to come and bring his family.

BOOSTER'S BAND.

Meeting at Nehalem, With a Large Turn Out.

Last Saturday the Tillamook County Booster's Band met at Nehalem. Over sixty players from all over the county enjoyed a perfect spring day, spending the forenoon in practice under their leader, Prof. Trombley, and in the afternoon gave the finest band concert ever heard in Nehalem. Some of the best musicians in Oregon are in the band, and the improvement is wonderful under their efficient instructor. Quite a number of the musicians went up from Tillamook, accompanied by boosters Cal. Worrall and Rollie Watson. The Nehalem band boys gave a dance Saturday evening, which was well patronized and the interest shown shows that Nehalem will be ready with its \$500 for the 1915 San Francisco special train. But the great event of the day was the dinner or banquet served by the good ladies of Nehalem and vicinity, in the skating rink, where over 100 band boys and friends enjoyed a great feast of all the good things to eat from fried chicken to cake. Much of the success of the meeting was due to Mr. Effenberger as master of ceremonies, R. W. Watson was as usual full of enthusiasm and a success as toast master and toasts were responded to by representatives from Bay City, Wheeler, Cloverdale, and for Tillamook, Judge Worrall being in his happiest mood, gave his listeners a rare treat full of pathos and laughter, good stories and compliments to the ladies.

The band will be the guests of Cloverdale on Sunday, June 28th. Mr. Thompson, mayor; Mr. West, Sec. commercial club; Mr. Cotton, publisher Nehalem Times; Mrs. Tohl, of the hotel and many others assisted in entertaining the guests, and after a beautiful day crowded with enjoyments, the visitors departed unanimously in voting the citizens of Nehalem and vicinity the best of entertainers and much progress was made towards a union of interests, in both a social and business way, for the building of all of Tillamook county.

CLEAN UP DAY.

Boy Mayor and City Council Councilman Chosen.

Last Friday morning Ira Smith met with the pupils of the graded school in the assembly hall and with the assistance of the teachers, Prof. Buchanan and Supt. Buel, the pupils elected a Boy Mayor and a Councilman from each of the five wards in the city. The pupils were a trifling backward at first in placing any one in nomination for mayor, but soon they got a start and they kept the secretary busy in taking down nominations. Four names were placed in nomination: Howard Erskine, Clair Small, Clare Moak, Edgar Myers.

The pupils then separated into wards in which they lived and then selected one of their number as councilman for that ward. They then returned to assembly hall when each pupil was handed a ballot and on which they voted. They first wrote the number of the ward in which they lived across the top of the ballot, then the name of one of the four boys that was running for Mayor and the name of the Councilman selected for the ward in which they lived.

The ballots were then collected and Mr. Smith with the assistance of some of the pupils counted the ballots, which showed the following results: For Mayor—Howard Erskine, 34; Clare Small, 11; Clare Moak, 21; and Edgar Myers, 11. Erskine was decided elected Boy Mayor.

There being only one candidate for councilman in the different wards, all selected were elected, which were: 1st ward, Evelyn Hoag, 2nd ward, Lola DeLillies, 3rd ward, Fay Hill, 4th ward, Herbert Stam, 5th ward, Ewald Schnuelle.

The council met Tuesday and transacted the following business: Mayor Beals and G. B. Lamb, who are to select a third party, and those three are to be judges of Clean-Up-Day and award the flag to the ward making the best showing.

The following rules were adopted:

1—Do not allow rubbish to accumulate.

2—Do not throw anything on the sidewalks or streets.

3—Do not let piles of ashes or trash remain in back yards.

4—Do not mark or deface sidewalks fences, buildings or public property.

5—Keep the garbage can covered and destroy breeding places of flies.

6—Plant grass and flower-seed. Make a garden and encourage the love of nature, sunshine and fresh air.

7—Apply paint to fences, sheds and buildings.

8—Brighten Up ourselves, Brighten Up our homes and spread the Brighten Up Spirit amongst our neighbors.

9—Brighten Up your business, Brighten up our town; and promote its social, industrial and commercial progress.

10—Let Brighten Up be our slogan.

The councilmen from the different wards will act as captain of their ward, and all the children are to help them. Clean up around your own places and then ask your neighbor to do likewise. They will do it if you ask them.

It is the wishes of the council that the older people, property owners and those who rent property assist the Brighten-Up Crusade in this work, for without their help in cleaning up, nothing of importance can be accomplished. There is no excuse for anyone not taking part in the Clean-Up. Mayor Beals very kindly offers the services of two teams and two drivers to be used, if needed, in hauling off rubbish for those who have no other way of disposing of same. If you wish to take advantage of this good offer, clean up the trash, put in boxes or sacks and put same where teamsters can get it handy on June 11 and notify Ira Smith where you live.

Thursday, June 11 is Clean-Up Day, but every minute of time between now and then should be a busy one in order to get everything in good shape, get busy in your ward. See that your neighbors do their part. See Ira Smith and get a crusader pin and show your colors.

Saturday afternoon: General history, bookkeeping.

W. S. BUEL, County Supt.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
