FOR SALE. Peninsula Acreage. Portland.

I have two hundred acres of land on the Peninsula below St. Johns, in the future INDUSTRIAL CENTER OF PORTLAND. For the man who can hold this land for a few years there is a fortune. For the present it is non-income bearing and I find it necessary to sell. Adjoining land is held for \$1000.00 per acre. I have placed the extremely low price of \$300.00 per acre on this land to induce immediate sale. Would consider a good income bearing farm of approximately the same value in exchange. My property is clear of incumbrance, as must be any offered in exchange. Could divide into two tracts if desirable, of approximately \$10,000.00 and \$20,000.00 in value. Act quickly if interested.
