

THE STATE ELECTION.

A Land Slide for the Water Wagon.

In the state there was a Republican landslide with the exception of United States Senator, the present incumbent George Chamberlain, beating R. A. Booth with a majority of nearly 18,000 votes.

Dr. James Withycombe, defeated J. C. Smith, Governor West's candidate for governor, with an overwhelming majority.

W. C. Hawley was re-elected in the First District for Congressman and N. J. Sinnott in the Second District. C. N. McArthur won the seat in the Third District.

The other officers elected are: Thomas B. Kay, State Treasurer. Henry J. Bean, Justice of the Supreme Court.

Henry L. Benson, Justice of the Supreme Court. Lawrence T. Harris, Justice of the Supreme Court.

Thomas A. McBride, Justice of the Supreme Court. The four successful candidates are Republicans. Wm. Galloway was the fifth highest, and like the rest of the Democratic candidates were badly defeated.

George M. Brown, Attorney General. J. A. Churchill, Superintendent of Public Instruction.

John H. Lewis, State Engineer. O. P. Hoff Commissioner of Labor Statistics.

Frank J. Miller, Railroad Commissioner. James T. Chinnock, Superintendent of Water Division.

Of the 29 measures submitted to the voters only two managed to get a favorable vote, that to amend voting qualifications and prohibition, the latter carrying with a majority of somewhere near 30,000, which will place Oregon amongst the "dry" states after January 1916. There is a possibility that one or two others may pull through.

Harry H. Belt defeated Webster Holmes for Circuit Judge. T. B. Handley was elected joint representative for Tillamook and Yamhill counties, with about 500 majority, over R. Y. Blalock, who had the Democratic and "dry" support in this and Yamhill counties.

ELECTION IN TILLAMOOK.

There was considerable interest taken in the election on Tuesday owing to the prohibition amendment being voted on. The weather was wet but notwithstanding this there was a large vote cast, somewhere near 2700 going to the polls. Every candidate on the Republican ticket in Tillamook county obtained a plurality of votes, with the exception of F. L. Sappington, who was defeated by Geo. R. McKimens, an independent candidate for county commissioner, Sheriff Crenshaw met with some opposition but he managed to pull through with a good majority. G. J. Poysky an independent candidate for county surveyor, put up a strong, and we are glad to say, a clean fight against R. L. Shreve, but failed in his efforts.

The vote on the prohibition measure caused a good deal of rejoicing in the "dry" camp for they carried the county with 695 votes, the votes cast being 1717 for prohibition and 1022 against. One surprising feature of the election being that Tillamook City went "dry" with 200 votes to spare, the "drys" casting 526 to 326 against prohibition, only one precinct Tillamook, voting for wet by a majority of seven votes only.

Justice of the peace Stanley and Taylor are making the official count, and as Justice Taylor is only three votes behind we hope he wont count his opponent out. Frank says he will count him in if he can.

In the Second Justice and Constable District E. W. Stanley was elected justice and Wm. Powell constable.

In the Fourth Constable and Justice District, R. E. Jackson was elected justice and J. J. Longcor constable.

In the Third Justice and Constable District O. Myers is elected justice and R. L. Huston constable.

Girls to Aid Gymnasium.

The high school girls laid plans last night to serve luncheon at the school each noon during the county teachers institute next week for the purpose of raising a fund to go toward furnishing the new gymnasium and playroom as soon as it is completed. Miss Ueland will assist them.

Tonight the boys' basketball team play the freshmen's team of Bay City at that place.

The freshmen class had a meeting yesterday noon to pass a resolution of sympathy for Dewey Handley, one of their classmates, on account of the sudden death of his mother.

Death of Mrs. Belle Handley.

Made My Life Worth Living

"I feel it my duty to tell others what Chamberlain's Tablets have done for me," writes Mrs. L. Dunlap, of Oak Grove, Mich. "I have suffered with pains in my back and under my shoulder blade for a number of years, also with a poor appetite and constipation. I tried all of the remedies that I heard of, and a number of doctors, but got no relief. Finally a friend told me to try Chamberlain's Stomach and Liver Tablets. I got a bottle of them and they soon helped my stomach; by their gentle action my bowels became more regular. Today I feel like praising them to all who suffer as I did, for they have cured me and made my life worth living."

WETS LEAD IN PORTLAND

Withycombe in Lead for Governor; McArthur is Ahead for Congress.

Portland, Or.—Returns from more than 180 precincts out of the 326 precincts indicated that George E. Chamberlain, democrat, has carried the county over Robert A. Booth, republican, and William Hanley, progressive, and that Dr. James Withycombe, republican, for governor; C. N. McArthur, republican, for congress, and Thomas M. Hurlburt, republican, for sheriff, are maintaining substantial leads.

If Chamberlain maintains his present lead he will carry the county by 10,000.

The prohibition amendment is running behind in the county. Indications are that the "wets" will carry Multnomah.

Most of the other important amendments on the ticket, however, are running behind, including the \$1500 tax exemption, the abolition of the state senate and the universal eight-hour law.

The only measure that is maintaining a lead on the early returns is the dentistry bill.

Prohibition Wins at Arizona Polls.

Phoenix, Ariz.—Arizona went dry in the election Tuesday. Returns indicate that prohibition has won the state, but by an as yet unestimated majority. Wet leaders conceded the victory of the drys by about 600. Dry leaders claimed the state by at least 2000.

Democratic office-holders were re-elected, including United States Senator Mark Smith and Representative Carl Hayden. Governor Hunt was re-elected over Ralph Cameron, republican. His estimated plurality was 3000.

Colorado in Dry Column.

Denver.—George Carlson, republican, maintains his lead for governor over Thomas M. Patterson, democrat, 398 precincts in 29 counties, including 105 in Denver, giving Carlson 44,728, Patterson 24,820.

One hundred and thirty-six precincts, including 26 in Denver, give for Senator: Work, Rep., 10,182; Thomas, Dem., 7517.

Three hundred and twenty-two precincts give: Dry, 30,194; wet 24,795.

T. R. and His Employees Vote.

Oyster Bay, N. Y.—Theodore Roosevelt drove to the polling place in this village with his coachman and two gardeners. He voted first and then waited while his employees cast their ballots.

Penrose's Plurality Heavy.

Philadelphia.—Election of Penrose, Rep., to the United States senate from Pennsylvania, by a large plurality, and also an easy victory for Brumbaugh, Rep., candidate for governor, are indicated by returns from 1242 election districts out of 6727 in the state.

Champ Clark Re-elected.

Montgomery, Mo.—Returns indicate the re-election of Champ Clark, democrat, speaker of the house, by a majority of from 3000 to 5000 votes.

Vancouver Goes Dry.

Vancouver, Wash.—Vancouver went dry by a majority of 414 votes. The totals were: Wet, 1395; dry, 1809.

Connecticut is Republican.

New Haven, Conn.—Returns indicate a republican sweep. Brandegee republican, has a substantial lead over Baldwin, democrat, for United States senator.

LANDSLIDE CARRIES HIRAM JOHNSON IN

San Francisco.—Scattered returns received from all parts of the state indicated the following net results of Tuesday's general election:

Governor Johnson (Prog.) has won a re-election by a plurality that approaches landslide proportions over Captain John D. Fredericks (Rep.) with the democratic candidate, John B. Curtin, a distant third.

The vote for United States senator was so close between James D. Phelan (Dem.) and Joseph R. Knowland (Rep.) as to make a forecast of the final result a mere hazard. On the face of early returns, Francis J. Heney, the progressive candidate, was a lagging third.

John M. Eshelman (Prog.) has been elected lieutenant-governor over J. V. Snyder (Dem.) by a vote that threatened on the scattering count to exceed two to one.

Two proposed laws in which the interest throughout the state was intense—that providing for state-wide prohibition, and the universal eight-hour work day measure—have gone down to overwhelming defeat. Seemingly prohibition has lost by almost two to one, while the margin of victory for the opponents of the eight-hour law is much greater.

SOUTH IS STILL SOLID

The Usuary Democratic Majorities Are Returned in Dixie.

Atlanta.—Returns from the southern states indicate the usual democratic victories for state and congressional tickets. The republicans claim one congressional district in Maryland and two in North Carolina.

A democrat, Johnson N. Camden, was elected in Kentucky to the United States senate, for the unexpired term of the late Senator Bradley, republican. The democratic candidate also was elected to the full term in the United States senate.

Governor Hooper, republican, of Tennessee, was defeated for re-election by Thomas C. Rye.

W. P. Martin, progressive, leads the democratic candidate for representative in congress from the third Louisiana district.

States in which the democrats seem to have made clean sweeps are Arkansas, Tennessee, Alabama, Texas, Florida, Georgia, South Carolina, Mississippi and Kentucky.

Indiana Republican in Lead.

Indianapolis.—While Miller, republican, had a slight lead over Shively, democrat, for United States senator, in 193 of 3171 precincts in the state, Shively's friends say their man will win with a majority of 30,000.

The republicans made a clean sweep in this, Marion county, Miller, republican candidate for senator, leading Senator Shively by nearly 3000 votes.

Representative Korby, democrat, was defeated by Merrill Moors, republican, by about 5000 votes.

Kansas Going Republican.

Topeka, Kan.—Sixty scattering precincts throughout the state, incomplete, give for senator: Curtis (Rep.), 1181; Neely (Dem.), 713; Murdock (Prog.), 427.

For governor: Capper (Rep.), 1289; Hodges (Dem.), 717; Allen (Prog.), 323; Billard (Ind.), 189.

Representative Murdock is running far ahead of his ticket.

Smoot Leads in First Returns.

Salt Lake City, Utah.—First Utah returns on senatorial candidates give Smoot, republican, 1908; Moyle, fusion, 1726. A normal vote is indicated, with republican and democratic gains and progressive losses, as compared with two years ago. A total vote in the state of about 100,000 is expected.

BRADY'S ELECTION IN IDAHO IS INDICATED

Boise, Idaho.—The republican congressional delegation appears to be far in the lead in the general election in this state. Returns indicate that United States Senator James H. Brady, republican, has defeated James H. Hawley, democrat, and that Congressman Addison T. Smith and Robert M. McCracken, republican, have been elected to congress.

JAMES H. BRADY
Who Retains His Seat as Senator From Idaho.

Moses Alexander, democrat, seems to have defeated John M. Haines, republican, for governor. Incomplete returns indicate that the race between these two candidates will be close, with a plurality of less than 2000. Alexander has broken into the heretofore solid southeast which Governor Haines depended upon to re-elect him. Haines lost Ada county by from 500 to 1000 votes, according to early returns.

C. O. Broxon, progressive candidate for state treasurer, and Clarence Van Deusen, progressive candidate for state auditor, are leading the progressive ticket and have a chance of being elected. Both swept Ada and Canyon counties. They are the only progressives who have a chance to break through the republican vote. If they are defeated, it now seems apparent that aside from the governor the republican state ticket will be elected. The big republican counties of southeast Idaho when heard from may save Governor Haines. The early returns indicate they voted for Senator Brady and the republican candidates for congress and then went over to Alexander for governor.
