### THE COUNTY BUDGET.

Carefully Considered By Advisory Board and the County Court.

The Advisory Committee and the County Court spent two hard days work on Thursday and Friday preparing the budget for county expenses for next year. The Advisory Committee was composed of W. H. Christensen, of Oretown; Frank Owens, of Cloverdale; A. G. Beals, of Tillamook; Wm. Maxwell, of Fairview; Robert Watt, of Bay City; G. R. McKimins, of Mohler, and Ben Kuppenbender, of Nehalem. The members of the court were, County Judge, Mason, and Commissioners Farmer and Sappington. Discussing the numerous items took considerable time, for the first meeting on Thursday, with a night session, and it was midnight on Friday before the final agreement was reached. The whole proceedings were harmoniously, and pleasantly conducted and discussed from every view point.

There was a difference of opinion in regard to the County Agriculturalist, Mr. Maxwell being opposed to appropriating money for that official, while Mr. Kuppenbender was of a different opinion and wanted to go on record as favoring the continuance of that office.

Although not included in Judge Mason's budget of road and bridge and road work, it was stated that a petition was being circulated for another bridge across Wilson river somewhere near Donaldson's ford, but it met with opposition with the county court and Mr. Maxwell, who resides in that part of the county. It was thought that it would be economy to construct a piece of road for the settlers.

### Timber Men Well Pleased.

Following is a copy of a letter sent to the County Judge, Homer Mason: by several of the lumber interests who express their appreciation of the action of the Court in appointing an advisory committee.

Dear Sir:—From the press we are informed of your resolution of the 12th inst, and of your appointment of an advisory committee to assist you in the preparation of the annual budget. In reference thereto, we wish to compliment you and the other members of your court on your laudible desire "To reduce taxes to the lowest amount consistent with the proper administration of County affairs."

In carrying out this demonstration, you should have the most hearty support of every taxpayer in Tillamook County and if we can be of any service to you, command us.

Respectfully yours,  
J. O. Elrod,

### ADVISORY COMMITTEE COMMEND THE COUNTY COURT.

Before Adjournment the Advisory Committee Unanimously Adopted the Following Resolution

Whereas, the undersigned taxpayers invited by the County Court to assist in the preparation of the budget for the coming year; and

Whereas, The County Court had prepared a preliminary estimate of the needs of the county, and we, after spending two days in going over the said estimate carefully, item by item, we found the same had been so closely considered that few changes seemed to be advisable.

Now, therefore, be it resolved that we wish to commend the County Court for the careful and painstaking care in which they had prepared the estimate, which seems to be as economical as is consistent with good business policy.

Geo. R. McKimins Will Maxwell  
Frank Owens W. Christensen  
Ben Kuppenbender A. G. Beals
