Correspondence Cards For Short Notes.

Few people use a sheet of paper in writing short notes nowadays—the correspondence card is the popular way.

More popular still is the correspondence card with your initial in the upper left corner.

We have a fine correspondence card, neatly initialed in gold—a good snappy stock which is proving very popular, which we have marked at an attractive price—

40c. per Box,
24 CARDS AND 24 ENVELOPES.

Sold only by

A Carpenter, Agent.

TILLAMOOK JOTTINGS

The heavy freshet on Thursday of last week carried away part of the Bayocean road, and it will be about \$400 to replace it. Notwithstanding that the dyke was built high enough, it was thought at the time, that no tide would go over it. The freshet on Thursday managed to get across the road, and not being finished, soon commenced washing.

The seven year old son of Adam Lapin met with a serious accident at Blaine on Monday. The boy found a dynamite cap in the wood shed, and not knowing that it was dangerous, took it into the house and placed it upon the stove, which caused it to explode. It tore a hole through the boy's right hand, and lacerated it. Dr. Boals was called and he found it necessary to amputate most of the thumb and first and second fingers.

Following are the fares from Tillamook to San Francisco and San Diego and return during the Fair, with stop over privileges:

90 day round trip San Francisco \$42.50; 30 day round trip San Francisco, \$36.50; 40 day round trip San Diego, \$58.50.

These rates will continue until November 30, 1915.

Miss Florence Morgan was presiding hostess on Jan. 7 at the meeting of the Y. F. F. Club of Fairview. A delightful afternoon made the day successful in every particular. A dainty lunch was served by the hostess. The Club adjourned to meet with Miss Helen Durrer at 1 o'clock Jan. 28. All young ladies of Fairview requested to be present.

A Greek who had been working for Giebitch and Joplin at Garibaldi was paid 45 cents in check, which he raised to \$45.45 and George Phelps cashed it. When sent to the First National Bank the forgery was soon discovered, and the matter turned over to Sheriff Crenshaw and District Attorney Goyno. A Greek was placed under arrest, but it was discovered that the man who had raised the check had left for Portland on Sunday.

The annual meeting of the County Holstein Breeders' Association was held at the Commercial Club rooms on Monday, when W. E. Noyes was re-elected president; Charles Kunze vice-president; Ben Kuppenbender, secretary-treasurer; and J. J. Rupp, director. The association decided to affiliate with the Holstein-Friesian Association of America, and to buy a set of blue books which will be kept in the office of County Agriculturist Jones.

Carl Haberlach returned from a trip outside this week. He reports business in most lines rather dull, there being many vacant houses and offices in Portland. The outlook for good prices for cheese the coming season is not very bright. At the beginning of the war, many of the condensers put the price paid for milk so high that they closed down butter and cheese plants. Now with condensed milk hardly moving at all, most of the milk is being turned into butter and cheese. Butter in cubes is now selling at 25 cents per pound. Needless to say this has its effect upon cheese prices. Were it not for the fact that the Los Angeles market is taking a certain amount of cheese, it would be hard to move more than a small percent of our cheese. Business picked up for a few days after the election and again after the first of the year, but in a short time was in worse condition than before.

Who Wouldn't

Have their corns and all other trouble of their feet cured up when it is done so easy and so reasonably by a practical Foot Doctor of over 25 years' practical experience, such as Dr. Hanna, who is now stopping at the Hotel Ramsey, with office in the parlor, where he can be consulted free until next Monday.

Womens' Clubs.

About seven years ago the Oregon Federation of Women's Clubs adopted the following resolution:

"That the Oregon Federation of Women's Clubs adopt the last Wednesday in January as Scholarship Loan Fund Day, when every Club in the State is asked to do something to increase the fund which is being loaned young women to assist in their education."

The Club women have responded loyally to this resolution, and at the Eugene Convention last October the Loan Fund trustees reported \$7005.00 having been received for this work, and that sixty girls had been aided in their education through this medium.

The Civic Improvement Club of Tillamook wishes to contribute to this fund, and for this purpose they will conduct a Community Sing in the Commercial Club parlors on Tuesday evening, the 26th of January. An admission of ten cents will be charged, and the most delightful social func-

tion of the season has been planned. At 8:15 sharp the singing will begin. The grand old patriotic songs which filled our childish minds with awe, the rollicking dardic melodies of our Sunny Southland, and the newer ragtime compositions which every young person knows and loves will compose the program.

Parent-Teachers' Association Meeting Postponed.

The monthly Dime Social of the Tillamook Parent-Teachers' Association which was announced for Friday night, has been postponed to Friday night, Jan. 30.

Christian Church.

An interest that is a surprise to all is being manifested in the meeting at Garibaldi, conducted by the pastor. Last night after the arrival of Capt. Dodge's boat from Tillamook it was impossible to seat the crowd. People are coming a distance of 8 miles every evening.

A basket-dinner and mid-day service have been arranged for up on the Miami at the schoolhouse, beginning at noon next Saturday. From 10 to 20 of these excellent people make the long trip to Garibaldi every night to attend Church. The meeting will continue this week and possibly next.

Our services in town last Sunday were inspiring. A memorial service was held in the morning for Rev. Morgan, first pastor of the Church in Tillamook, who died last week.

The fourth sermon in the Sunday evening series comes next Sunday night. Subject: "Truth's first martyr." Singer Baird, our great chorus leader, has promised us an anthem next Sunday night, and we are sure that all lovers of music will be pleased. You are invited.

H. A. Van Winkle.

ONE DRY ACT BOILED DOWN TO 115 WORDS

All pending legislation intended to make effective the prohibition amendment enacted by the people at the election last November is embraced in a bill of precisely 115 words introduced in the House by Representative Cardwell of Douglas County. The Cardwell bill, which its author says, is all that is necessary to make Oregon as dry as the proverbial bone, is:

Any person or persons who shall, after the first day of January, 1915, manufacture, sell or have in his, her or their possession for the purpose of sale any intoxicating liquor of any nature shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than \$200 or more than \$1000, or by imprisonment in the County Jail for a term not exceeding six months; provided, however, that this act shall not apply to licensed physicians prescribing alcoholic liquors for medicinal purposes or the sale thereof for scientific, sacramental or mechanical purposes. All laws and parts of laws in conflict herewith are hereby repealed.

In striking contrast to this measure is the Committee of One Hundred's bill containing about 8000 words, and the bill of Representative Lewis, containing about 6000 words, either designed to carry into effect the prohibition amendment. The Cardwell bill is proclaimed by its author as containing more real legislation than the two others combined.

"My bill will do the work," said Representative Cardwell. "You don't need another word to drive every saloon, brewery and distillery out of the state."

BECOMING SELF-SUPPORTING

Livestock Industry in Oregon Shows Remarkable Gains.

That the livestock industry in Oregon has been developed to a point which makes the state independent of outside sources is indicated by the annual report of the Post-Office Union stockyards for 1914. This report shows that 507,189 head of livestock of all classes was received during the past year, divided up as follows: 281,300 sheep; 237,275 hogs; 4,350 cattle; 2,506 calves and 1,729 horses and mules. Oregon's contribution to this impressive total was 187,789 cattle; 2,149 calves; 144,991 hogs and 109,445 sheep, leaving only an unimportant balance to be credited to surrounding states.

One notable feature of this report is the remarkable falling off in the number of calves received, only 2,500 having been received in 1912 as compared with 4,666 in 1913; 4,733 in 1912; 6,818 in 1911 and 8,297 in 1910. This falling off in the shipment of calves seems to indicate that the farmers are generally recognizing the importance of retaining all young meat animals either as future breeders or to be shipped as adult animals, a movement which can only result in increased financial returns to the farmers.

and a more rapid increase in the meat supply of the state.

HIGH SCHOOL NOTES

Friday night, Jan. 15, was the night of the triangular debate between Gresham, St. Johns and Tillamook, the negative teams traveling. The St. Johns negative team debated Gresham affirmative team at Gresham losing to same by unanimous vote.

The Gresham negative team went to Tillamook and debated the T. H. S. affirmative team in the High School auditorium. This was a hotly contested debate, but Gresham won over Tillamook by a vote of 2 to 1. The coach of the visiting Gresham team was Miss Strugyles. The speakers of the visiting team were Mr. Starley Stinson and Miss Ellen DeHaven. The speakers of the T. H. S. were Erwin Schueller and Lee Doty. Both Mr. Doty and Mr. Stinson are very much to be congratulated, it being their first time to make the state teams.

The Tillamook negative team consisting of Thomas Coates and Areta Everson went to St. Johns, meeting the St. Johns' affirmative team there, defeating it by unanimous vote. Thus Gresham won 2 votes in Tillamook and three in St. Johns, making a total of 5 votes out of 9 votes cast. Tillamook won 1 vote at home and 3 in St. Johns making a total of 4 votes out of 9 votes cast. This eliminates St. Johns and Tillamook from the State League.

On Wednesday night, Jan. 20, a basket ball game between Bay City and the T. H. S. alumni will be played in the opera house. This game will be preceded by a preliminary game between the Juniors and Seniors. The results of these games will be published in next week's issue of this paper. So far the Juniors have won two games and the Seniors one. In the last game, however, two of the leading players on the Senior team, Alfred Boquist and Arthur Wallace, could not play.

Thursday morning, Jan. 21, the final examinations will take place. All students having recitation periods in the morning will take their examinations in those subjects on Thursday. All those that have afternoon recitations will take their examinations on Friday.

The Eighth Grade examinations took place Thursday and Friday last week. There will be eight new entries from the eighth grade and in addition to these several other new students will enter the Tillamook High School.

How's This?

We offer ONE HUNDRED DOLLARS REWARD or any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & CO., Toledo, O.
