

Advantage of a Checking Account

III. Acquaintance in Bank.

Not the least of the advantages of having a checking account at this bank is the acquaintance which it promotes between the depositor and our officers.

This acquaintance enables our officers to get in touch with the interests of the depositor, and to lend all the cooperation consistent with conservative banking.

Our officers gladly welcome the opportunity to extend the facilities of the bank to new depositors.

Ole Lane was tried before a jury in Justice of the Peace E. W. Stanley's court on Friday, on a charge of assault and battery upon Vernie Kellow at the Hebo school house on Saturday, Jan. 16th, which appeared to have been a free for all fight in a neighborhood quarrel. The case was hotly contested, District Attorney T. H. Goynes prosecuting and Attorney C. R. Worrall defending Lane. As there appeared to be about the same amount of evidence that the defendant did and did not strike Kellow, the jury brought in a verdict for the defendant. It seems that the jury objected to that kind of a case being brought into court, causing expense to the taxpayers.

COMMUNITY SING.

Women's Civic League Give Great Entertainment at Club Rooms.

The Civic Improvement Club is one of the greatest forces of good in the city. The membership is composed of the best thinkers and best intelligent ladies of Tillamook, who are unselfishly giving their time and ability for the advancement of all that tends towards the betterment of the moral and the education of our citizenship, our schools and our city government. We shall expect great results and our citizens generally should and will lend them support.

The officers of the club, under the efficient leadership of Mrs. C. J. Edwards, as president, are doing something besides talk. The Commercial Club, to encourage the ladies in this good work, have generously donated the use of their club rooms free of charge, for all meetings of the club. We vouch for it, that within a year our city and county will feel the elevating influence of these most excellent ladies, in a most excellent county Carnegie Library, a new City Hall, a higher moral and educational standard in our schools, an elevated standard and better knowledge of elections and state and local politics, a better hygiene and eugenics of home life, better citizenship and a higher state of morals with advancement in church life. We need their influence to refine, beautify enoble all our lives.

The "Community Sing" given under their auspices, at Commercial Club rooms, on Tuesday evening, Jan. 26th, was a grand success, some 300 citizens together with most of the school children were there. About \$25.00 receipts will be utilized for the benefit of the educational loan fund of the State Federation of Women's Clubs. The central committee in charge was Mesdames Oscar Schultz, Wm. J. Hill A. N. Erskine, and S. W. Conover, each of whom was also chairman of other special committees, Mrs. Hill, Refreshments; Mrs. Conover, Music; Mrs. Erskine, Invitations; Mrs. D. E. Mackenzie was in charge of the musical program, ably assisted by Mrs. F. S. Whitehouse; Doorkeepers, Mrs. W. G. McGee, Tom Coates and Mrs. J. Stranahan; Mrs. E. E. Koch assisted by other ladies, presided at the piano.

The program was: "America" by entire audience.

Round, "Three Blind Mice,"—sung in sections.

"Annie Laurie", audience.

"Old Folks at Home", audience.

Round, "Bray goes the Donkey," in which the gents were expected to bray but being too timid the ladies did the braying to the great delight of all. One man saying "we can moo like a cow, but don't know how a donkey brays, for we can't milk them", which brought out a great laugh.

Violin solo, "Traumerer", by Dr. E. E. Koch, received a hearty encore.

The High School en masse, sang, "Tis a long long way to Tipperary" the entire audience joining in the chorus, even Carl Haberlach.

"Listen to the Mocking Bird", gents whistling the chorus, Judge Talmage and Col. Worrall, both got off the tune, but both made a hand at the table.

Reading by Mrs. Stranahan was heartily enjoyed by all.

"Old Black Joe" by gents, ladies joining in the chorus.

"Valley of the Moon," by the High School, led by the deep rich voice of Prof. Onthank, which made up in noise what it lacked in culture.

On call from the audience, "Yankee Doodle" and "Dixie" raised the roof all ending with "Auld Lang Syne" which brought tears of joy and memory of other days to many of us old ones. Then Mrs. C. J. Edwards, president of the club, gave an enjoyable talk on "What Civic Clubs Do," full of thought and information.

Then the best of all, good coffee like mother used to make, rich cake cooked by Tillamook's best cook-planty for all, then a happy informal hour, grand march, leap-frog in out side hall by some of the girls and all wondered homeward full of cake and coffee, gladness and joy better for an evening of pure elevating entertainment, with thankful hearts to all the good ladies for the music and the social intercourse. Too much credit cannot be bestowed on each lady and each committee, for each one done their part well, an special mention of the "Sing" should be given for its great success, led by the sweet cultivated voice of Mrs. Mackenzie, with her high more character, always leading us nearer to perfection in better living, better cit-

Red Clover Creamery.

At the annual meeting of the stockholders of the Red Clover Creamery, January 19th, the stockholders expressed their satisfaction of the manner in which the business of the factory was conducted during the past year, by reelecting the former Board of Directors and voting to remain independent for the present. All of his factories output for 1914 has been old and the patrons paid for the December milk. The total amount of cheese manufactured was 280,687 pounds, the patrons receiving \$1.52 per 100 pounds of milk. Average yearly test 4.09; the yield was 11.10 pounds cheese to each 100 pounds of milk delivered.

Owing to all the 1914 output being old and reported, these averages are
