WE are indebted to the proprietor of this Newspaper for his courtesy in allowing us to send in the particulars of this Advance Showing of Spring and Summer Dress Goods at a very late hour. Our usual weekly ad. was all ready for the printer just at the moment these goods arrived, but we felt sure you would want to know about the new fabrics above everything else, and so we secured permission to send new copy at a very much later date than usually obtains. The Goods will be on display in our East and South Windows on Friday, as well as in our up-to-date Dry Goods Department. We invite you to make a thorough inspection at the earliest opportunity.
