W. G. Tait, president of the First National Bank, left for San Francisco on Monday, where he attends a meeting of the Pacific Coast Bankers.

Don't fail to see the start of the great series of pictures "Who Pays", at the Gem Theatre, starting Wednesday and Thursday, June 9 and 10.  
Everett Hall and wife came in on Wednesday and he will manage a meat market to be located in the building now occupied by Laborwich.  
"Who Pays" is not a serial picture, but a series of pictures dealing with twelve of the vital questions of life, shown each week in three real installments.  
Plenty of rain insures plenty of grass. The beautiful rain the past two weeks have done wonders in this respect, for grass in Tillamook is growing quite abundantly.

An appropriate program has been arranged for at the Gem Theatre for the G. A. R. memorial, Sunday night, May 30. The birth of "The Star S. B." will be shown in pictures.  
To miss one installment of "Who Pays" is not to miss a connecting link in a long continued plot or scheme, but merely that particular number.

The Ladies' Aid of the Christian Church will give a strawberry festival Tuesday evening, June 1, in the old Tillamook County Bank Building, one door south of W. A. Williams' Harness Shop. Every one invited.  
Postmaster Todd moved the post office to the new quarters in the Masonic building on Monday night, which is nicely equipped with modern conveniences for handling the mail and is another improvement in the city.

A meeting is called for to-morrow (Friday) evening by the Tillamook Water Commission at the city hall to hear remonstrances to the schedule of water rates formulated under the direction of the State Railroad Commission.  
Memorial services will be held in the Christian Church, Sunday, May 30th, at 11 o'clock a.m. Members of the G. A. R. and W. R. C. are requested to meet in K. P. hall over the Gem Theatre and from there march to the church.

I have a small tract of land half a mile of city limits of Corvallis, Ore. 7 roomed house and good barn. Will trade for Tillamook County property. Anyone desiring to locate at Corvallis would do well by calling at my address, W. W. Conder, Tillamook, Oregon.  
As a result of the mail arriving in this city earlier in the afternoon, Rural Mail Carrier Merrel Smith leaves this city at four o'clock on his route, which gives those living on Rural Route No. 1 their letters and newspapers the same day that they arrive in this city.

It is expected that Judge Bagley will hold a special term of the circuit court about June the 21st. There is nothing very important on the docket with the exception of about twenty foreclosure cases, which are always on the increase whenever there is a Democratic administration.  
With each installment of "Who Pays" will be shown a good one real comedy, also a copy of the "Pathe News," which gives all the late happenings which are of interest to the public. Watch for later bills on "Who Pays" to be given at the Gem Theatre.

There was a large congregation at the Christian church on Sunday, when the baccalaureate sermon to the High School graduating class was preached by Rev. H. A. VanWinkle, Revs. Edward Gittins and D. A. MacKenzie took part in the services and excellent music was rendered by the choir.

Mrs. L. J. White who was taken sick in this city with a nervous breakdown and was sent to Salem on account of her mind being affected, died there on Saturday, and on Sunday her husband received a wire to that effect. He left on Monday for Newberg, where the remains were buried.

For Sale—One seven horse power wood saw, with standard gasoline engine for \$350.00, this an exceptionally good bargain. One, Mitchell Lewis & Staver Gasoline Wood saw, 6 horse power, \$300.00. Inquire of A. K. Case.

An appropriate program has been arranged for at the Gem Theatre for the G. A. R. memorial Sunday night, May 30. The birth of "The Star S. B." will be shown in pictures.

### COD FISH MISTAKEN FOR DISTRESS FLAG.

Fishing Smack, off Cape Lookout, at Anchor, not in Trouble, as Life-savers Find.

A big dried codfish hanging in the rigging of the two-masted deep sea fishing schooner Orient, from Seattle, was mistaken by persons in the life-saving station at Barview for a United States flag, upside down, and, believing that the vessel was in distress, Captain Farley and his crew of life-savers manned the motor life boat at Garibaldi on Tuesday and started out toward Tillamook Bar, in a race to reach the supposed disabled vessel before it drifted on the breakers off Bayocan.  
The craft was about a mile beyond Tillamook bar when first observed and was drifting along easily, the crew being engaged in fishing and caring little whether they drifted. A haze over the weather prevented a clear view of the vessel, and when Captain Farley and his men started on their rescue voyage they did not even know the name of the ship.  
The day faded into night and darkness prevailed on the waters without any word from the life-savers, and many anxious persons awaited around the bay for the report. Finally Captain Farley returned and told of the Orient's being anchored two and one-half miles south of Cape Lookout of the entire seaworthiness of the craft and of its strange decoration in the rigging.

### Manual Training Exhibition at High School.

One hundred and sixty-two finished pieces and twenty-four unfinished pieces of manual training work done by the pupils in that department of the public schools are on exhibition in the Manual Training room of the high school building. This includes only part of the work done the second term and a few pieces of first term work. It represents work done by young workmen from the fourth to the twelfth grades.  
This work will be on exhibition all of Thursday and early Thursday evening. All who are interested are invited to inspect it.

### Wants New City Hall.

Tillamook Oregon, May 26th, 1915. To the Voters of Tillamook City.  
We honestly believe that it is very important that Tillamook City should have a new city hall at this time for the following reasons:  
1st. The present building and jail is in a very bad condition and is certainly a disgrace to the city.  
2nd. That the volunteer firemen are entitled to better quarters and a place to keep their apparatus.  
3rd. That materials that would be used in the building are cheaper than they have been for some time.  
4th. That the citizens of Tillamook City would be greatly benefited by this money that would be put in circulation.  
5th. That the city has at this time property worth about \$50,000.00 over and above all its indebtedness.  
In view of these facts we earnestly request that you assist us in the rebuilding of the city and come to the

City Hall and vote at the city election to be held on Tuesday the 1st day of June, 1915.  
Mark your ballot: Yes.  
Don't forget this date, Tuesday, June 1st. Polls open from 8 o'clock in the morning until 6 o'clock in the evening.  
We need a new City Hall.  
Yours truly,  
Tillamook Commercial Club.

C. A. Barnes, F. D. Small, Jack Olson, C. W. Miller, John Groat and M. F. Leach, trustees.

**Serious Auto Accident.**  
On Saturday afternoon just before five o'clock, Mr. and Mrs. Frank Paul and two young men, by the name of Hohlfeld and Somers, were returning home in their auto, they met with what might have been a more serious accident. Mr. Paul was driving the machine and when on the treadmill north of the city the auto suddenly turned and ran into the fence, which gave way and the auto and occupants were plunged below, the car turning over, and mashed up things and injuring the occupants. At first Mr. Paul thought he was not badly hurt, but later found he was internally injured, but since then we are glad to hear that he is greatly improved. Mrs. Paul had her left arm broken; one of Mr. Somers' fingers was crushed and his face cut, but Mr. Hohlfeld was more fortunate, escaping with a few bruises about the legs. Mr. and Mrs. Paul were brought to the city and Dr. Wendt attended to their injuries after which they were taken to their home.

### Grade School Track Meet.

If weather permits the grade school track meet for the cup offered by a number of merchants, will be held at the Stillwell Playground Thursday afternoon at two o'clock. This meet will include all of the boys in grades four to eight inclusive. The cup will be awarded to the grade making the highest average number of points. Ribbons for the first three places will also be awarded. Everyone is invited to attend. In case of rain the meet will be postponed to the following afternoon.  
The cup is on exhibition in the window of A. H. Harris, the jeweler.

### Kill Kare Study Klub.

On May 20th, the Klub gathered at the home of Mrs. C. W. Miller, with Mrs. Tait assisting.  
Mrs. Plank called the "Klub" to order when fourteen members responded by quotations or "present."  
Mrs. Tait had prepared a paper on the life and wonderful work of Jane Addams, which was very helpful to all, for every one is interested in Jane Addams and "Hill House." She is considered one of the most foremost women of the United States.  
The guests of the afternoon included Mesdames B. C. Lamb, Koch, Reichers, Willett, MacKenzie, Leonard and Harter.  
The home and table decorations for the occasion were carried out in pink, white and green, and the refreshments were above the honorable mentioned.

The next meeting of the klub will be at the home of Mrs. Albert Plank on the third Thursday of June.  
Members who cannot be present are requested according to the rules of the Klub to notify the hostess and at the meeting in June the question of what the study of the following year will be discussed.

### Special Election on Tuesday.

A special election will be held in this city on Tuesday next, for the people to decide whether a new city hall is to be built or not, which has to be done by amendments to the city charter. The caption of the ballot is as follows:  
Shall a measure for the Amendment of Article XI of Chapter VIII of the Charter of Tillamook City, Oregon, as proposed by initiative petition filed May 8th, 1915, and as referred to the

people of Tillamook City, Oregon, by resolution adopted by the Common Council of Tillamook City, Oregon, on May 12th, 1915, be enacted?

The Measure proposed amends the Charter of Tillamook City, Oregon, by adding to Article XI, of Chapter VIII, a new section authorizing the issuing of \$30,000.00 of bonds of Tillamook City, the proceeds to be credited to "City Hall Fund," and authorizing the Common Council to use so much thereof as may be necessary for the construction of a city hall. Said measure further raises the debt limit of Tillamook City from \$70,000 to \$90,000, exclusive of sinking funds and improvement bonds.

### Testers to be Examined.

State Dairy and Food Commissioner Mickle has arranged to give an examination next Tuesday for applicants for licenses to test milk and cream. The new law which went into effect May 22, requires that testers of milk and cream in dairies and similar establishments must secure a license. To qualify for a license the law requires that they must pass an examination given by the dairy department of the Oregon Agricultural College.  
Professor Graves delegated Mr. Mickle to give the examination in the northwestern portion of the state. Others will be delegated to give examinations in other sections.

### Rare Musical Treat for Tillamook.

Katherine Neal-Simmons, Soprano Soloist, from Portland, will give a benefit concert for the Presbyterian Ladies' Guild, at the High School Auditorium, Friday, June 4th.  
Mrs. Simmons is an artist of unusual ability and a rare musical treat is assured. She will be assisted by Lucia Barton-Gillhouse, a prominent violinist, with Miss Florence Jackson, accompanist.  
The program will prove rare and attractive, consisting of numbers in English, German, Italian and Italian. Special mention is made of the artistic old English songs that readily appeal to the heart, which Mrs. Simmons expresses with true understanding and ability to live her songs. She has a lyric soprano voice of much sweetness of tone and a wide range.

### School Notes.

The Class Night entertainment this evening May 27, at the Christian Church. The place of giving the program has been changed on account of the better seating facilities of the Christian Church. A very interesting and novel program has been prepared and it is the earnest desire of the class that a large audience attend.  
The Commencement exercises will take place the following evening May 28, also at the Christian Church. The Honorable C. N. McArthur, one of Oregon's representatives, will be the speaker of the evening. The salutatorian and valedictorian this year were chosen by the class, without regard to highest grade averages. Howard Lamar and Freda Schmuelle were chosen for these positions, respectively. The first and second honors of the highest general average for the whole course in high school belongs to Freda Schmuelle and Thomas Coates, respectively. The general standing of the class is very high, there being six or eight with averages above ninety per cent.

This is the last week of school, and everyone in both high school and grades, teachers and all, are working hard. If possible, the balance of the track meet will be held before the close of school. The various other contests have been closed. The spelling contest between the fourth and fifth grades resulted in a tie. The third and fourth grades won the writing contest for the primary and intermediate departments.  
The Juniors and Sophomores went for a picnic today. It was raining, of course, but what's the difference? We are an optimistic set up here. The rain didn't even discourage Senior Flunk Day, rather helped to make it a grand success.
