Led Astray.

Back in my youth I knew a boy of morals good and true; He'd never swear, nor play at cards nor would he smoke or chew. He always said a little prayer before

he went to sleep, And asked the angels' round his bed their guardian watch to keep. At Indian war and cowboys he was never known to play, But wished that Sunday school would

have three sessions every day. He meant to be a missionary to some savage horde,

And now for his goodness he is reap-ing his reward: Yes—he's acting for the mocies now! He is into every villian sort of row. As a Western dead-shot killer he's the champion graveyard filler, for he's acting for the movies now.

And in those happy youthful days I had a sweetheart fair, With big blue eyes and rosy cheeks, and curly golden hair;
I used to walk with her from school,
the pretty little miss,
And in our childish innocence we

thought no wrong to kiss. But when she grew into her teens so dignified was she

That in our past "frivolities" she'd sternly censure me: She said she was ashamed of them. and now her life's one aim Was rescuing the millions from their course of moral shame; And—she's posing for the movies

Every kind of mushy fooling she'll

Both in comedy and thrilly-uns she's a favorite of the millions, or she's posing for the movies now.

Both young Endner and Arstell deserve a great deal of credit for the manly way in which they stuck to their heroic and difficult task.

Tillamook Heads the List.

16 to 6 tells the story of Sundays

game when Nehalem met defeat at the 11.87 ball grounds. It was a slow, one s de 29.00 session of the National game, and Ne-45.00 halem will have to do some repairing 1.25 before they can hope to conquer the other teams of the new league which have played here this season. Nehalem, have played here this season. Nehalem, however, was in a weakened condition Sunday, according to manager Thompson, and can be expected to put up a much better grade of ball in the future. Tubbestein, Emery and Mayor Atwood batteried for the visitors while they were battered by Blanchard and Wallace. The batting of Wolfe and Driscoll, and base stealing by Millis were the only features of the game.

Beaver won a fast game from Bay City on the Bay City grounds, score 9 to 6. The Beaver team has been show-ing up exceptionally well and promises 37.50 to be one of the strongest teams in the new league. Clint King who is doing the mound work for Beaver is well known to the local fans.

The Ford is lighter than any other car of its size and power. Light weight means economy. Economy in gasoline consumption. Economy in tire expense. Economy in repair bills-less than two cents a mile for operation and upkeep.

Yet with all its light weight the Ford is the stronges sturdiest car that is built. It is the longest lasting car. Vanadium steel is responsible for that. "Antifatigne" steel, scientists call it-the strongest, toughest steel put into automobile construction.
