**10 NEW DOLLAR BILLS**

Visiting this Store

COMMENCING at 9 a.m. on Saturday and continuing thereafter until 7 p.m., we shall give to the first adult person entering this store immediately after the stroke of every hour a Brand New Dollar Bill. The only conditions we shall require are that you carry this Ad. in your hand and that you give your full name and address to the person tendering you the dollar. This latter condition is simply to protect the gift giver. Only one dollar can, of course, be claimed by one person. You will, however, have 10 chances on Saturday and two each morning during the following week.

Western Union time used, kindly furnished by A. H. Harris, Jeweller, Tillamook, Ore.

*There's a Reason for this Sale.*

THE REMARKABLE CHANGES that have recently taken place in the markets of the world have created demands for lines of merchandise hitherto not extensively included in our selections, and for this reason we have been compelled to consider the reorganization of our entire stock of merchandise and adding several lines to those already carried.

To accomplish this it becomes necessary for us to make room for these new purchases, and in order to buy the merchandise wanted at the very lowest prices, we must have at least

**\$10,000 in Cash**

within two weeks from this date.

To raise this amount in such a short space of time will require tremendous and sustained efforts on our part, but we have fully prepared ourselves and have made up our minds to sacrifice profits and even to forget cost prices just so long as we get the money. If Bargain Prices count for anything we shall, without a doubt, have the amount required before the closing day of the sale.

Come as early as possible, for, of course, the best bargains always go first, but if you cannot come during the opening days come when you can, for as each selection becomes depleted higher priced merchandise will be added in order to give you as great a choice as possible during the whole time the sale is on.

This latter condition is simply to protect the gift giver and imposes no further obligations upon you. Only one dollar can, of course, be claimed by one person.
