CRACK SHOTS TO VISIT TILLAMOOK NEXT WEEK

Mr. and Mrs. Adolph Topperwein, the celebrated marksmen, will give an exhibition of expert and fancy shooting at the Fair Grounds, Friday September 3rd, which everyone ought to see, as no such marvelous shooting has ever been done in this section. It will be a revelation of all the wonderful possibilities of modern arms and ammunition in the hands of the greatest experts. Mr. Topperwein is the acknowledged dean of fancy and trick shots, and his many feats are of highly sensational character. Mrs. Topperwein has no equal among women for adaptiveness in shooting. Ladies are especially urged to go and witness her astonishing skill with shotgun, rifle and pistol. Admission will be free to all. Some idea of the unusual character of the exhibition given by the Topperweins will be gained from the following remarks: Adolph Topperwein, the greatest living fancy and flying target shot with a rifle, represents the Winchester Repeating Arms Co. and lives in San Antonio, Texas. His native state has long been noted for its expert shooters and this penchant for shooting among Texans, added to his natural ability, undoubtedly accounts for the wonderful skill he displays. He uses no special equipment, but ordinary Winchester rifles, shooting regular cartridges with solid ball; or, in other words, cartridges such as oranges, apples, bits of coal or brick, walnuts, small marbles, empty cartridge shells, and many other tiny objects, which are all thrown into the air and hit with either rifle or revolver. In the most remarkable exhibition of rifle shooting ever given Mr. Topperwein shot for ten days at 72,500 2 1/2 inch wooden blocks thrown into the air by an assistant, missing only

ST. ALPHONSUS ACADEMY,
Tillamook, Oregon.
BOARDING and DAY SCHOOL for GIRLS, YOUNG LADIES and BOYS under 12.
Fall Session begins Sept. 13th.
St. Alphonsus Academy is a Boarding and Day School for Girls and Young Ladies, under the supervision of the Sisters of St. Mary.
In the Elementary Department, the Course of Study used is that adopted in the elementary schools of the State of Oregon.
The Commercial Course offers to students who wish to fit themselves for office work, the opportunity of securing a thorough business education.
MUSIC, both Instrumental and Vocal, is taught and will be given special attention. The system of grading is observed in teaching the various instruments, the promotion is made from one grade to another, whenever it is advantageous to the student.

out of the entire lot. During the shooting, he made straight runs of 14,540, 13,599, 13,292, 13,219 and 10,183. He used two Winchester automatic rifles and Winchester cartridges, and the loading of the rifles was done by himself. Considering the almost incredible score and the tremendous strain of such incessant shooting, it is unlikely that this record will ever be beaten. Other remarkable feats by M. Topperwein with the rifles were his scoring of 85 out of 100 2 1/2 inch targets throwing into the air while riding at full speed in an automobile; and the breaking of 3,507 targets without a miss at the World's Fair at St. Louis.

Mrs. Topperwein, who also represents the Winchester Repeating Arms Co., is undoubtedly the premier lady shot of the world. Although she took up shooting only a few years ago, she has startled the shooting world and entertained many thousands of people by her great skill with rifle, shotgun and pistol. Shooting came natural to her as without seeming difficulty she masters various kinds of shooting quickly.

Her first public appearance was at the World's Fair in St. Louis where, with a Winchester automatic rifle, she broke 967 out of 1,000 2 1/2 inch flying targets; and later 1995 out of 2000 with a straight run of 1437. Besides being a wonderful wing and fancy shot, Mrs. Topperwein is a consistent shooter at the traps and has made a straight run of 226 and won many high averages in open competitions, shooting against the best professional and amateur shots in the world. At San Antonio, Texas, July 18, 1908, she broke 967 out of 1,000 targets thrown at the regulation distance, in 4 hours and 35 minutes.

At the Pacific Coast Handicap, held at Seattle in 1910, Mrs. Topperwein won high general average over a large field of the best shots of the Pacific Coast and Sanada. On the first day of the tournament, she made the remarkable score of 195 out of 200, which included twenty doubles, and on the final day she broke the entire program of 100 singles straight. During the year 1913, Mrs. Topperwein shot at 10,000 targets, scoring over 95 per cent. She made straight runs of 100 nine times and one run of 165. Shooting for the Denver Post Trophy in an Eastern Handicap she shot out the field of over 250 shooters by scoring 98 out of 100 11-11 90 yards; and closing her season's work at the State Fair in Phoenix, Ariz., she scored for the three day's shooting the magnificent total of 397 of 405 targets; and in a special handicap event, standing at the 23 yard mark, she broke 93 targets out of 100. Mrs. Topperwein is the only lady in the world who ever had the

Mr. Topperwein is the originator of many marvelous fancy and trick shots and also of the feat of drawing the heads of Indian chiefs and other pictures with bullets shot from a rifle. Rifle shooting is not his only acquirement, as he does wonderful work also with revolver, pistol and shotgun.
