M. G. Walker Died Suddenly.

Martin Grant Walker, resident of Portland the greater part of his life, died in this city on Friday while being carried from the Allen House to the Sanatorium at the age of 51. He was a son of Wm. Walker who crossed the plains in 1852.

Martin Walker was born in Columbia County. For years he was employed by the Weidler sawmill people in Portland. Five years ago he moved to Tillamook where he was engaged in commercial fishing until his death.

He leaves a brother, F. P. Walker, of Portland, and a sister Mrs. Martha Orchard, of San Francisco.

The remains were taken to Portland for burial, the cause of death was Bright's disease.

Christian Church.

Call at the Christian Church Friday evening and enjoy our Christmas program.

A beautiful pantomime under the spot light will be given by the young people accompanied by music from McGee's orchestra. Our tree will be lighted by electricity and there will be a treat for all children present.

Next Sunday, being the closing Lord's day of the year, will be a most fitting time for you to go to church. Lets have the old year close with that to our credit.

Our Sunday School is above the two hundred mark in attendance and still climbing, we will be glad to welcome you next Sunday morning at 10 a.m.

Harmony and Pleasant Valley.

Mr. Otto Krebs and family left for Portland Wednesday to spend Christmas with Mrs. Krebs' parents.

Mr. Elmer Hopkins has rented his place to his brother Herman, and has moved with his family to the Hopkins ranch on Wilson river, where he will work next year.

Mrs. Kasper Schlappi is reported as being sick with lagrippe.

Mr. and Mrs. Archie Davis, and baby, of Mulino, Ore., arrived Monday to spend the holidays with Mrs. Davis' parents, C. E. Walker, at Pleasant Valley.

An entertainment and oyster supper was given Wednesday evening, in the new Grange Hall, at Pleasant Valley, with a large number from Beaver and other south points attending, the hall was crowded. Several new applications for membership were made. A number of talented Beaverites assisted in the entertainment by staging some minstrel sketches which were greatly appreciated.

Officers for the new year were elected at the first regular meeting of the Pleasant Valley Grange in the

new hall. Quite a number of members of the Fairview Grange were present, and remembered the new grange with a substantial gift. "Come again."

Boss Turner is erecting a new house on his new property, which was a part of the Henry Simmons place.

A Tillamook County Survey Planned.

A survey of this character is being planned for Tillamook County and work will probably be started on it next week. The work will be done by the County Agriculturist with the assistance of Mr. Keyes, a special State farm management demonstrator, who is employed by the U. S. Department of Agriculture and the Oregon Agricultural College. Fifty river bottom farms and fifty prairie farms will be included in the survey.

Roy C. Jones,
County Agriculturist.

It all depends on a man's environment whether he can behave or not, it has been said. Sometimes penitentiaries make an ideal environment.

Christmas Sunday at the Presbyterian Church.

"Following the Star and Finding the King" is the pastor's subject for Sunday at 11, and Van Dyke's "Story of the Other Wise Man" will be related in the evening service at 7:30. There will be special music by the choir in both services, and Mr. C. A. McGhee will favor the congregation with special numbers at least in the evening service. A very cordial invitation is extended to all who are at liberty to attend these Christmas services, especially are all strangers and others without their church home invited to spend the day in this church.

Christmas Entertainment at the High School.

The Christmas entertainment given in the High School auditorium last Friday evening by the grammar and high schools was a decided success in every way. The auditorium was filled with the parents and friends of the scholars, and they listened to a fine program which was made up of members from each of the grades. The number by the 3rd grade, "Silent Night," and the pantomime, "Asleep in the manger" by the 6th grade, made two beautiful tableaux. The little tots of the primary rooms delighted all by the way in which they sang their little Christmas songs. The fourth grade did well in a little play, "The Well Wishers," and the fifth grade rendered 3 songs which were enjoyed by the audience. The numbers by the High School Glee Club and the piano selection by Retta Goodspeed of the seventh grade were all well rendered. The solo by Jeff O'Donnell was heartily applauded, as was also the violin solo by Prof. Koch, each being recalled and responding with an encore.

The entire program showed a good deal of hard work on the part of both teachers and scholars, and they were well repaid by the large and appreciative audience. The proceeds of the evening are to be applied on the new Victrola which is being purchased for the use of the school.

A Spring 1916 Sample Line of Ladies' Suits, bought for sale or return at a price concession that enables us to offer a Sensational Suit Sale everyone in Tillamook County should investigate.

The representative of a prominent manufacturer of Ladies Ready to Wear was about to return to headquarters when he met our Suit Buyer to whom he at once offered his entire line at an enormous price concession, promising in addition to take back all suits remaining unsold by December 31st.

Perceiving the advantages of accepting such an offer both to our customers and ourselves arrangements were at once made to have the suits shipped by express and they arrived here this week.

Every style shown is a becoming one and there are all sizes to choose from, 14 and 16 years and 36 to 44 bust measurements.

The Fabrics consist of Fine Suiting Serges, Wale Serges, Gabardines, Velvets and Tweeds, and the colors such fashionable shades as Port, Mink Brown, Russian Green, Navy Blue, Marine and Belgian Blue, etc.

At the price quoted the actual worth values may seem exaggerated but they are not, every suit in the selection is worth nearly double the price asked and this saving to you is only made possible by the exceptional concessions made to us and the advertising value we shall get out of the offer during a week that is usually the quietest of the whole year.

Remember the Sale positively closes on the evening of December 31st as any Suits remaining unsold must be returned to the manufacturer. Make your selection early and get the best choice.
