By taking it where it may not be accu-  
rately filled—where part of the ingredients  
used may be so old as to have lost their  
freshness, strength and purity.

Get the full value of your doctor's ser-  
vices by bringing your prescription to us  
—where you know it will receive all the  
exact care and honest attention that our  
pride of reputation—backed by experi-  
ence, training and the most complete,  
modern, carefully-selected, thoroughly-  
tested and well-kept stock of prescription  
drugs—can possibly give it.
