Don't Throw Away
Your Prescription.
 By taking it where it may not be accu-
 rately filled—where part of the ingredients
 used may be so old as to have lost their
 freshness, strength and purity.
 Get the full value of your doctor's ser-
 vices by bringing your prescription to us
 —where you know it will receive all the
 exact care and honest attention that our
 pride of reputation—backed by experi-
 ence, training and the most complete,
 modern, carefully-selected, thoroughly-
 tested and well-kept stock of prescription
 drugs—can possibly give it.
