High School Glee Club to Give Operetta. "The Isle of Chance," a well known operetta is to be produced in Tillamook, Friday, March 24, by the High School Glee Club under direction of Miss Hazel McKown, music teacher.

This operetta is a well known musical production and contains a large number of beautiful solos and choruses. The principal characters wear special costumes. The leading part, that of King Greed, is to be carried by Mr. Humbert. The remaining parts are all by members of the Glee Club.

The McGhee orchestra will play an orchestration of the operetta. The entire receipts will be used to purchase music and records for the Glee Club and school. A synopsis of the operetta follows:

King Greed rules over the Isle of Chance. The Follies are his subjects. Their chief aim is to attract and wreck ships of life upon their island. Here King Greed plays his game of chance with the survivors, and wins their all.

The ship of Ease, carrying Lord What's-the-Use, Lady Frivolous and Sinepita, and manned by the captain and his sailors, Who Cares, Few Cares, No Cares and I Should Worry, is wrecked on the Isle of Chance. King Greed tells them of a river of gold and induces them to set out on an expedition with him.

A derelict on this isle is On-A-Grouch. He had gambled with King Greed and lost his "all." Dispair is now his shadow.

King Greed tells him, since he has lost all, to drink from a certain spring whose waters are poisoned. On-A-Grouch drinks and sinks down asleep. The Spirits of Spring come and fill his mind with new dreams. He wakes and finds himself a happy man again. On looking into the spring which is really the spring of Ambition, he discovers gold nuggets of Industry, Temperance, Preseverance and Cheerfulness. He immediately bids farewell to King Greed and the Isle of Chance and sets off for the Harbor of Endeavor.

The King and his party draw lots to see who shall own the river of gold. King Greed wins. Now they put their all, the Captain his five thousand pounds in notes, Lady Frivolous and Sinepita their jewels, Lord What's-the-Use a few odd pence and his reputation, the sailors a heap of silver coins, and, the King plays his own game "Heads I win, tails you lose." The King wins again. With a sneer he tells them to drink from the poisoned spring, and departs leaving them to despair.

Meanwhile On-A-Grouch had met Lord What's-the-Use and had told him the truth of the spring. The latter comes upon his companions in Despair and all drink from the spring of Ambition and at once they catch sight of the Good Ship Hope.

For Circuit Judge of the Nineteenth Judicial District.

W. H. Hollis. I am a candidate for nomination to the office of Circuit Judge, of the Nineteenth Judicial District, composed of Tillamook and Washington Counties, subject to the Republican primary election to be held May 19th, 1916.

I am a resident of Forest Grove, in said Washington County, and have been an attorney for thirty years, and admitted to practice in all the courts of this state and the Federal Courts of the United States for the district of Oregon.

I have been a lifelong Republican, but in the discharge of public duties have always held the interest of the people above that of party or politics, and that the judiciary should never be swayed by partisan influence or party prejudice.

I have ever constantly stood for rigid economy in the expenditure of the peoples' money. The burden of taxation is increasing out of all proportion to the benefits received, increased wealth or ability to pay. If nominated and elected I will administer the business of the Court of this district justly, promptly, and with the least possible expense to the taxpayers.

Less litigation; less expense; less delay and more justice shall be my aim. Your support is respectfully solicited.

W. H. Hollis.
