

# RAILROAD WAGES

## Shall they be determined by Industrial Warfare or Federal Inquiry?

### To the American Public:

Do you believe in arbitration or industrial warfare?

The train employes on all the railroads are voting whether they will give their leaders authority to tie up the commerce of the country to enforce their demands for a 100 million dollar wage increase.

The railroads are in the public service—your service. This army of employes is in the public service—your service.

You pay for rail transportation 3 billion dollars a year, and 44 cents out of every dollar from you goes to the employes.

On all the Western railroads in 1915, seventy-five per cent of the train employes earned these wages (lowest, highest and average of all) as shown by the pay rolls—

	Passenger		Freight		Yard	
	Range	Average	Range	Average	Range	Average
<b>Engineers</b>	\$1747	\$2195	\$1537	\$2071	\$1056	\$1378
	3094		3076		2445	
<b>Conductors</b>	1543	1878	1454	1935	1151	1355
	2789		2933		2045	
<b>Firemen</b>	1033	1317	751	1181	418	973
	2078		2059		1552	
<b>Brakemen</b>	854	967	874	1135	862	1107
	1719		1961		1821	

The average yearly wage payments to all Western train employes (including those who worked only part of the year) as shown by the 1915 payrolls were—

	Passenger	Freight	Yard
<b>Engineers</b>	\$2038	\$1737	\$1218
<b>Conductors</b>	1772	1624	1292
<b>Firemen</b>	1218	973	832
<b>Brakemen</b>	921	1000	1026

A 100 million dollar wage increase for men in freight and yard service (less than one-fifth of all employes) is equal to a 5 per cent advance in all freight rates.

The managers of the railroads, as trustees for the public, have no right to place this burden on the cost of transportation to you without a clear mandate from a public tribunal speaking for you.

The railroads have proposed the settlement of this controversy either under the existing national arbitration law, or by reference to the Interstate Commerce Commission. This offer has been refused by the employes' representatives.

### Shall a nation-wide strike or an investigation under the Government determine this issue?

When Champ Clark said that the "Underwood law is doing all that is expected of it," did he mean that the Democratic party deliberately wrecked the business of this country?

**HEAR WITHOUT EAR.**  
Police and Detectives Are Using Lip Reading in Place of the Dictagraph.  
Thousands of deaf people are today throwing away all hearing devices and enjoying all conversation. This method is easily and quickly acquired through our system. Absolutely the only thing of its kind in the country. Our proposition is entirely original. Cost is trifling. See what few International Encyclopaedia Lip Reading. Hundreds of people with normal hearing are taking up Lip reading for the many additional benefits gained. You can understand what the actors are saying just as far away as you can see them. The eye understands beyond the range of hearing. Send no money, but mention this paper and state whether or not you are deaf. All particulars will be sent you absolutely free and with no expense to you. Address: School of Lip Language, Kansas City, Missouri.
