

TILLAMOOK TO HAVE GREAT BIG TIME.

Governor Withycombe Opens County Fair on Tuesday.

IN COMMUNITY, GET TOGETHER SPIRIT.

Splendid Exhibition of Home Products, Stock and Amusements.

The Fair Board has promised to have all arrangements completed and the fair ready for opening at one o'clock on Tuesday. Those who intend to take part in the fair must have their exhibits in before that time. This also applies to stock. The Fair Board and those having charge of the different departments are making strenuous efforts to have all exhibits in place at the time of opening, as people from all parts of the county will visit the fair that day and attend for the purpose of hearing the governor and others talk and speak a good word for the community spirit.

The Fair Board has made every effort to make this the most successful county fair ever held in Tillamook county, not only in home products and a large stock and dahlia show, but attractions in the way of amusements will be many. The flying machine starts every day will be a drawing card. Aviator Munter will make the first flight on Tuesday afternoon, provided the wind is favorable, otherwise it will be made later in the day.

Everyone should wear a dahlia and a pleasant smile during fair week, and offer a glad hand to visitors who come to this city, as well as having the get together, Tillamook spirit.

The Fair Board has donated \$15.00 for each parade for prizes and a sweep-stake prize of \$20.00, which will be turned over to a committee of each association.

Scores for judging parades: Number of entries, 25 points; originality, 25 points; characterization, 25 points, department, 25 points.

Governor Withycombe to Open Fair.

Governor James Withycombe has consented to come to Tillamook and open the fair. In accepting the invitation to come to Tillamook it discommodes the governor's arrangements, because he has to take part in the big event of the opening of the railroad into Coos County next week. But it is hard to keep the governor away from stock shows and county fairs, and mixing with the people who till the soil and those who make a specialty of stock breeding, for the governor is a walking encyclopedia on these matters and has done more to improve agricultural conditions in Oregon than any one person in the state, and it is in the agricultural communities where Governor Withycombe is better understood and appreciated. It was the intention of those having the matter in hand to have the governor speak on Farmers' Day, but this could not be arranged, as Tuesday was the only day he was available. No doubt the dairymen and stock men of the county will be at the fair to give the glad hand to the man who has done so much for their industries, even though it could not be arranged that he could be here on their day.

The governor will arrive in Tillamook on Monday, on the late train, and will be met at the depot by the Fair Board and Mayor Brodhead, and the president of the Commercial Club has appointed Mr. and Mrs. C. J. Edwards, Mr. and Mrs. F. R. Beals, Mr. and Mrs. Thad Robison, Mr. and Mrs. W. J. Reichers, Mr. and Mrs. O. A. Schultz, Mr. and Mrs. H. T. Bots, Mr. and Mrs. Henry Crenshaw, Mr. and Mrs. J. C. Holden on the reception committee to represent the commercial club and the Women's Civic Improvement League to meet the Governor at the depot and escort him to the hotel, giving him a good time while he is here, for he has many warm and sincere friends in Tillamook county who know that he is trying to do the right thing by the people and give the state a business-like administration.

Governor Withycombe will take part in the business men's parade Tuesday and will formally open the fair with a speech at the fair grounds. He will leave on the afternoon train so as to be in Eugene the next day.

Captain S. S. Johnson, with the newly formed company of Coast Artillery, will form a guard of honor at the depot on the arrival of the governor, and the captain will be the governor's military escort while in the city. It is unfortunate that the uniforms have not arrived, but it will show that the boys have the right spirit.

Business Houses to Close.

Mayor S. A. Brodhead, at the request of a large number of business men, requests all business houses to close on Tuesday afternoon, August 22nd, 1916, from 1 p.m. to 4 p.m., so as to give the business men and all others an opportunity to take part in the business men's parade and opening of the Tillamook County Fair on that afternoon, the Fair Board having designated the opening day as Tillamook day.

The Get-Together Spirit.

At the meeting of the Holstein Breeders' Association at the Court House on Tuesday it was suggested that the Holstein and Jersey breeders and the Tillamook Commercial Club get together and have a banquet at

the Fair Grounds on Friday evening, August 25th.

C. I. Clough and Fred C. Baker members of the executive board of the club were invited to the meeting, and the Holstein men asked the club to co-operate with them, which they consented to do.

The Holstein Association then undertook to invite the Jersey men to take part and participate in the banquet and appointed a committee to work with the other two organizations in arranging the banquet.

School children's parade for this day will form in front of the school buildings of Tillamook city, at one (1:00) o'clock and march to the fair grounds. Ten dollars for first and five dollars for second prizes for districts having largest percent of average school attendance in the parade. Attach banner sent you to two short poles that the two leading the parade from each district may carry a banner in such a way that all may see what districts are represented. May every school district in the county be represented in this parade even if there are not more than the two banner bearers present to represent your district.

The contests named above will follow the parade in the order listed in the school prize list.

Entries may be made to the one in charge of the County Booth in the school exhibit building after 9:00 o'clock, Monday, August 21, until the time named for closing the entries, 12 o'clock noon Tuesday, August 22nd. Contestants may learn where contests will be given, and who is the director of each contest from the one in charge of the county booth in the school exhibit building. Take note of the time for each event as listed on prize list. If you do not have a copy of this list call for it.

Make your entries in writing and mail or hand to us if you like. This will save you and us time when there is a rush for entries.

Mail or hand us your club work report not later than the first day of the fair. The judge will want these reports when awarding prizes for club work.

All school children under 19 years of age will be admitted free if they have a creditable exhibit on display at fair. Said exhibit should be listed in prize list and student should present stub to gate keeper.

Students may enter in competition with adults if they wish. They must have a separate exhibit, or one for each prize competed for. Club members may enter their club work for a club prize, also another exhibit of same article in the open juvenile contest and one in competition with the adults thus having opportunities to win three prizes with the same article but remember there must be three exhibits or one for each entry in order to win the three prizes.

The evening program for children's day will consist of recitations in competition for prizes and special numbers secured from students, teachers and friends of the fair. We should be pleased to have students who intend to take part in this recitation contest to make entry at as early a date as possible that we may know better how to arrange for full program for the evening.

For further information, phone, write or see County Supt. or Assistant Supt.

Christian Church News.

Considering the time of year last Sunday proved an excellent day at the church. The Sunday school and morning service were well attended.

In the evening there was a large number of people present who are spending their outing in Tillamook County. We are placing special emphasis on our evening services during the month of August making them short and "snappy."

A special treat is in store for you next Sunday morning when you will have the opportunity to hear Rev. J. E. Snyder, pastor of the Presbyterian Church at Pendleton, Ore. He is spending his vacation at Beaver. A warm welcome to all.

Why do we know that free trade will ruin business and make tramps out of workmen? Because it did under the Wilson-Gorman free trade bill and because it did under the Underwood-Simmons bill. We have proof that it did and we know it will do so again.
