Some years ago when Roosevelt stepped out of the presidency the question was: "What shall we do with our ex-presidents?" Now that two ex-president are supporting Hughes, the query becomes a still more pertinent one among Democrats.—News Reporter.

Billy Sunday wants to come to Portland within the next year or two and hold a rengious revival, but he wants Portland to want him first. wants Portland to want him first.
The probabilities are that whenever Portland wants him to the extent of some twenty-five thousand dollars or more, they can get him.—Banks
Herald.

The probabilities are that whenever just as much from his rented land and would have no investment.

If you should rent your land, the full rental would go to the state.

A stitch in time saves nine, is just as true in road improvement. That's why "Chuckhole Day" appeals to us. A live road supervisor should have some gravel or crushed rock at hand to patch up the road in his district any time. If he is in earnest about better roads he will be glad to be told that a certain piece of road needs to be looked after at once.-News Re-

Because he has decidedly pronounced questions, and some have taken objections thereto, W. C. DePew, of the Criterion at Lebanon, says that every man or woman who exercises the right of franchise should stand for some political unit. "They should take a stand and have backbone enough to let their preference be known. Be something, first, last and republican; but, if you cannot be a progressive, a prohibitionist, a socialist, an anarchist. Stand for some money on Ore principle, and don't go around like an Grove Sentinel. old mop without handle or wringer— a big slob—looking for a soft place to light after the fray is over."

mans say. Each day we read the story of death and all its works, of Frenchmen dead and gory, or dessicated Turks. The Prussian and the Roman go forth to light each morn; perhaps they shear the focman, and maybe they are shorn; the sum of all their striving, is uscless empty, vain: The warriors surviving may brag of those they've slain. Far better would be boasting of fields of oats and rye, of corn ears fit for roasting, and pump-kins ripe for pie; of orchards nobly bearing, and gardens filled with greens, and hardy vines a-wearing a wealth of Lima beans, of large green wetermelons grown in fertile mud-but kings and kindred felons are not

their passage across the sea. It is tire. our opinion that forecasts of the conly speculative, as so many questions commandeering of vessels of Amerare to be taken into consideration ican registry in event of war and aploss of a million inhabitants have upon the business and social conditions
of the United States? And this is but way for foreign built vessels to inone of many influences to be reckoned with by this country.-Banks

The winner of the contest on "Why I Think It Pays To Be Courteous,' the August American Magazine, tells the following instance where courtesy paid a big dividend:

A woman came into the bank quite early, eight-thirty, an hour and a half before the oning hour, ten o'clock. She said that she was in great trouble to the bank and dismissed the matter

garbed in mourning approached my desk, wished me a pleasant good morning and said, "you don't remember me do you?' I replied in the negative. She explained that it was she whom I had accompanied to the train. She told me she had realized on the accident and life insurance policies of her late son, and though she was offered by a bank in Texas one and one half per cent more interest on b r funds than we paid, she preferred to deposit them in the bank of Chicar, where the employees were courterns to her in her hour of beand trouble.-Corvallis Gazette Times.

### Another Vicious Measure.

There will be found upon the ballot this year the most victors single tax'

What would be the result of such a express their opinions.

Suppose you own 160 acres. Under this measure you would pay

all the time. Naturally our first all those holding mortgages of all the worth; James Withycombe, Gover-thought is that it is the best to be a money thus invested. money thus invested.

### Like a Drunken Sailor.

"We killed a thousand Germans," remarked the dauntless Russ; "this sort of thing determines the victory for us. We captured many rifles, a mortar and a bomb, and other warker trifles, which shows we'er going some." "As frolicsome as kittens we marched into the fray, and slew ten thousand Britians," the fighting Germans say. Each day we read the story he charged the party responsible for

Borrowing mone for the shipping experiments in a role. By removing the features from the 1914 and the 1915 bills to which the Republicans objected openly and to which many Democrats objected privately, the administration admits the Republicans were right. But there is nothing left in the dregs of the measure to justify its enactment. Its title pretenses are false. It does not create a merchant marine. It will provide for not to exceed 500,000 tonnage and perhaps not far more than 300,000. It meets no emergency, for no description with interest thereon at the rate of 8 per cent per annum from the 25th day of March, 1914; the further sum of \$234.77, together with interest thereon at the rate of 8 per cent per annum from the 25th day of March, 1914; the further sum of \$234.77, together with interest thereon at the rate of 8 per cent per annum from the 25th day of March, 1914; the further sum of \$234.77, together with interest thereon at the rate of 8 per cent per annum from the 25th day of March, 1914; the further sum of \$234.77, together with interest thereon at the rate of 8 per cent per annum from the 25th day of March, 1914; the further sum of \$234.77, together with interest thereon at the rate of 8 per cent per annum from the 25th day of March, 1914; the further sum of \$234.77, together with interest thereon at the rate of 8 per cent per annum from the 25th day of March, 1914; the further sum of \$234.77, together with interest thereon at the rate of 8 per cent per annum from the 25th day of March, 1914; the further sum of \$234.77, together with interest thereon at the rate of 6 per cent per annum from the 25th day of March, 1914; the further sum of \$234.77, together with interest thereon at the rate of 6 per cent per annum from the 25th day of March, 1914; the further sum of \$234.77, together with interest thereon at the rate of 6 per cent per annum from the 25th day of March, 1914; the further sum of \$234.77, together with interest thereon at the rate of 6 per cent per annum from the 25th day of March, 1914; yet tired of blood.—Seaside Signal.

A new phase of after war movements has come to public attention.

Merican ships still in foreign commerce and no foreign ships may be that fully a million foreign-born personal fully a million foreign-born personal fully a million foreign-born personal full any new codes.

Morth defendant F. R. Beals, the sum of \$237.34, together with sum of \$237.34, togeth that fully a million foreign-born persons now in the United States will leave this country for Europe as soon as peace is declared. Desire to look after members of their families, the settlement of estates or other business will take a large majority, while a desire to assist in the rebuilding of their native country and redeem it from desolution and debt will cause ment with, after shipping becomes more to return. ### A "Big Drive."

From the New York headquarters She showed me a telegram announce the issue in this campaign and that it ing the death of her son from a gun-alone would be sufficient. We did not shot wound received in Texas. I con- mean by that there would be no other doled with her, had her waited upon issues. We meant that it would stand immediately, accompanied her to the out supreme above all others, and upstation, secured her ticket, etc. As the on it we would win. Americanism, railroad station was only a block preparedness, Mexico, governmental from the bank I had ample time to efficiency, civil service, taxation attend to these details. She thanked many things, in fact, are being disme, with tears in her eyes. I returned enseed, and rightly discussed, for they are matters of grave concern, from my mind.

About six weeks afterward, the lady them combined, are of such importice to the general and the individual gon. welfare of the country as the tariff question. No other issue so directly and Stripes. No other issue means so much to the day's wage, to continuity of employment, to the relatively even distribution of property through out the land.

It is true enough that, for the moment, employment, wages, prosperity, are not troubling the people. But the people are not deceived. They know he reason for the present conditions. They know that the war and that the war alone is responsible for our fictitious prosperity, and they know that the moment the war ends the normal state of business will begin to be restored. They recall the conditions of l business and labor immediately presare ever presented to the voters ceding the war, and they know that bath (human bake oven) vacuum of Oregon. It will appear under the under the present tariff those con-ticle. Full Rentel Vaule Land Tax ditions will come again as soon as the nd Homesteaders Loan Fund abnormal European demand disappears. Shall they be permitted to W.Lile the wording of the measure come? That is the main question be-

What the Editors Say. is somewhat definite, its enactment would undoubtedly mean the substitution of a full rental tax on all land lieu of all other taxes. lieu of all other taxes.

It would make no difference whether of root such a tax raised twice as much money as was needed, or whether it produced only one-quarter the necessary fund.

Notice is hereby given, to all whom it may concern, that the Common the necessary fund.

Notice is hereby given, to all whom it may concern, that the Common the City Engineer of Tillamook City, Oregon, filed in the office of the deeming it expedient to improve the street hereinalter described, did, on the concern, that the Common the City Engineer of Tillamook City.

Oregon, filed in the office of the city Recorder of said Tillamook City. All of said improvements to be made the people, and it will be restored as soon as the people get a chance to assoon as the people, and the 25th day of August, 1916, adopt the restored at the expense of the property and at the expense of the property and Wilson is reported to have said, after the passage of the Underwood bill, that the tariff question was settled.

The tariff question will never be set.

Resolution and all thereof adjacent thereto appears the solution and specially benefitted by said improments within the limits of the disconnection will never be set. that the tariff question was settled. The tariff question will never be set-tled until protection is permanently

full rental would become the property of the state and could never again and by virtue of an execution and pass into private hands.

If that isn't pure, unadulterated single tax, what is, But that isn't all.

Is it the tendency of the renters to improve land, or to let it deteriorate, would become less productive, and we would gradually deteriorate, would go backward instead of forward.

Under this measure the full carning capacity of the land goes to the state for tax. Pherefore their mortage, so the mortgage, and mort shadow to take the land, and to be come less, deceased; Francis Buckles, Dolly is searning would be worthless to him, for its searnings would be took the land, and to select the search of the contrage, so the mortgage, so the mortgage of the mortgage, so the mortgage of the state is searning would go to the state.

Therefore this measure would rob all those holding mortgages of all them, or holding mortgages of all the mortgages of all those holding mortgages of all the mortgages of all those holding mortgages of all the mortgages of all those holding mortgages of all the mortgages of all the mortgages of all the mortgages of all those holding mortgages of all the mor nor, Thomas B. Kay, Treasurer, and republican; but, if you cannot be a republican, be a democrat; and if you can conscientiously be neither, be a trooper to be a republican and if you can conscientiously be neither, be a trooper to be a republican and if you can consider a republicant to be a republi ey into Oregon lands or to loan Land Board of the State of Oregon, money on Oregon lands?—Cottage were defendants, and commanding me as Sheriff to sell the hereinafter described real property, or so much thereof as may be necessary, to satisfy the several sums due under said
