

**CARL GRAYSON WEDS FORMER BUHL GIRL.**

**Young Farmer is Married at Home of Miss Emily Forgan in Wyoming**

Carl Grayson who lives six miles north east of Buhl where he has been interested with his father in operating a large dairy farm, came home from Wyoming with a bride about a week ago, and since then he has been keeping pretty low from his friends here in town. And it was a former Buhl girl whom he wedded, Miss Emily Forgan formerly employed in the Golden Store.

The marriage took place at the home of the bride in Wyoming about two weeks ago. On their way to Salt Lake City where the young couple were met by Mr. and Mrs. C. E. Hadley, the four people then journeyed in the Hadley auto from Salt Lake to the Grayson home north east of Buhl, arriving last Wednesday.

Carl Grayson formerly lived in this city where he was proprietor of the tailor shop for a time. The young couple will make their home on the G. W. Grayson farm, the latter having purchased another forty acre tract near there and will move on it in a short while. Both Mr. and Mrs. Grayson have many friends in and around Buhl who extend congratulations.

**Death of Mrs. Thompson.**

Minerva M. Deshelds Thompson was born in Arkansas, May 12, 1846, died in Nehalem, October 18, 1916. Aged 70 years, 5 months, 6 days.

When a child she crossed the plains with her parents and settled in the Willamette Valley. She was married to Samuel Thompson July 12, 1863. The mother of 11 children, of whom 10 boys and 1 girl survive her.

Very devoted to her family, she labored hard during those strenuous pioneer days to bring up her family to useful and honorable manhood and womanhood. In 1901 the death of her husband left her a widow.

She united with the Methodist church in early life and has always been a devoted christian.

While the children were young she religiously instructed them in the ways of Godliness and in later life devoting her great energy to the work of the church, at times bearing almost the entire burden of the church work in Nehalem.

Grandma Thompson will long linger in the memory and hearts of those of us who have had the privilege of knowing her intimately as a devoted christian.

A loving friend and the best mother, caring for the sick and helping the needy she spared no pains, counting not her life dear that she might be like her Lord and Savior, who said: "Inasmuch as ye have done it unto the least of these ye have done it unto me."

**G. A. Walker Passes Away.**

G. A. Walker was born March 25, 1873 at Franklin, Pennsylvania. On August 10, 1882 he was married to Miss Elva Jane Clay, whose death occurred at Tillamook, July 19, 1897. He had been ailing since December, 1915 and died very suddenly at his home October 20, 1916, being 79 years, 6 months and 25 days old.

He took up his life work of teaching at the age of 19, being actively engaged in it for over fifty years. The first 18 months were spent as city superintendent of the schools of his home city, going from there to Emlenton, Penn., where he was superintendent for 12 years.

In 1887 he came to Oregon, arriving at Albany on Thanksgiving Day of that year. He was superintendent of the Albany schools for several years, teaching for a short time at Oregon City and Lakeview, Oregon before coming to Tillamook county in the spring of 1894.

The remaining years of his teaching experience were in the schools of the county. He was county superintendent of schools of Tillamook county for one term. He was interested in everything pertaining to education to the very last.

He moved to Nehalem in May 1901 which has since been his home.

He was a worker of reforms of all kinds. He was active in prohibition work from the beginning of the movement being a member of the party for many years. In his early manhood he was a member of the Presbyterian church but left it, as he became a Unitarian in belief, though never a member of any church.

He was a Mason and United Workman, but after leaving Pennsylvania he dropped from active membership. He is survived by two daughters, Fay E., of Nehalem, and Viva, of Portland, and son W. R., of Nehalem.

**Bay City Election.**

The excitement and suspense of the coming general election is completely eclipsed in Bay City by the interest which is being taken in their city election which is to be held Nov. 6th. At a city meeting, which was held some time ago, the following ticket was nominated, H. Hartline, Mayor, the following as councilmen, W. L. Hawk, J. J. Butler, George Jarman and W. L. Provost. This ticket was not satisfactory to both factions and the opposition led by W. S. Cone circulated petitions and nominated the following ticket, George Williams, Mayor, and for councilmen, W. McIlvaine, J. T. Nevins, H. Withers and W. L. Provost. Interest is running high and in case of Hartline's election, the courts will probably be called upon to restrain him from taking office on the ground that he has not been a resident of the city for one year as required by charter. Hartline is a member of the firm of Hartline-Proctor Co., and Mr. Williams is a timber cruiser. Mayor Gilmore, who has served several terms, refused to be a candidate unless he was allowed a salary by the city.

**Swastika Club.**

Mrs. B. D. Lamar entertained the club for the October meeting. A very pleasant afternoon was spent in a social way at the end of which the hostess invited the guests and members to the dining room where delicious refreshments were served.

The table decorations were very effective, being suggestive of Halloween time.

The invited guests were Mesdames Baker, Campbell, Clough, Edwards, Groat, Janery, Kirk, Lamb and Willcutt.

The club will meet with Mrs. Koch for the November meeting.

**Lady Teachers Organize.**

At the annual institute held at Tillamook the past week the lady teachers of the county met together and organized a club. The purpose of the organization is to create a wider interest in school work, and better the conditions of the school room through the united effort of all the teachers.

Miss Clara Lorpabel, of Beaver, was elected president of the club, and Miss Norma Muender, of Nehalem, secretary.

The first meeting of the club will be November 11 at 11 a.m. at Tillamook. It is hoped that as many of the teachers as possible will attend.

**Christian Church.**

Bible school, 10 a.m. Communion and sermon, 11 a.m., theme: "Unconscious Self-condemnation."

Christian Endeavor, 6:30 p.m., leader Miss Stella Chandler, topic, "Consecration of Social Life." This society is in a contest which is creating much interest and resulting in a substantial increase in attendance.

The society is divided into two departments, known as the "Cavalry" and the "Infantry." While this is a friendly competition, it is nevertheless a real fight, and promises some interesting developments. There were about twenty-five present last Sunday night and every minute was profitable and interestingly improved.

Evangelistic services, 7:30 p.m., theme: "God's Dealings with Pharaoh Compared with His Present Manner of Discipline." Good music has been prepared for these services and we invite all friends and strangers in town to attend with us.

Come to our Grade Bible School. You will find a department adapted to your age and you will enjoy the instruction and fellowship.

C. C. Curtis, Minister.

**BEAVER.**

Mr. Lehman and family, of Butteville, moved to their place recently purchased of O. Myers.

Dave Krake and family moved to Bob Huston's place.

Revival meetings started at the United Brethren church last Monday evening. They are being conducted by Rev. Nell and Mrs. M. J. Somerlin.

Mrs. Wan Bays has been on the sick list the last week, but is recovering.

The basket social given by the high school was attended by a large crowd and \$22.85 was realized.

The new traveling library has arrived and will be installed in the telephone office. Mr. Wilson is the librarian. It is hoped that the books will be made good use of.

The glad news reached Beaver yesterday, October 30th, that the water wheel for the electric light plant has been located in Astoria, from which place it will be shipped on the next boat for Tillamook.

Bob Wilson was certainly surprised one day last week when he received a telephone call that his father and mother were somewhere between Dolph and Hebo with a broken down auto truck out and started to meet them. Some say he broke the speed limit when he left Beaver, but we don't know. He returned about nine o'clock that night with his folks, all being very tired and hungry. His father and mother returned to their home in Portland last Friday, accompanied by their son.
