"The Soldier's Sweetheart."

—o—

After a long wait, and hard work the play of the "Soldier's Sweetheart" is to be presented by the Dramatic Club under the direction of B. J. McCowell at the Star Theatre, 2 nights, Friday and Saturday, Jan. 19 and 20. This play has been a hard one to get permission to play. The right of performance was only allowed to the larger cities. Those who thought their chances of seeing it was passed did not realize how hard a fight it was to secure it, but we got it, that is sufficient, and it will be soon offered. As the seating capacity of the Star Theatre is very limited, you will have to be sure to see it the first night.
