Remember at the Star Theatre 2 nights, Friday and Saturday January 19-20.

#### Presbyterian Church.

The most popular meeting ever held or yet planned for will be that one announced for the last day. Inauguration Day or Coronation Day of Republic or Kingdom will not compare with the great mass meeting. We shall all be there. It would be a good idea for us all to think about it and make some plans in order to be prepared when the time comes. This Friday night the subject to be discussed by the pastor as evangelist will be with that end in view—"When the Books are Open, the Final Judgment." The subjects for next Sunday will be as follows: Morning at 11, "Necessity and values of the Believer's Confession." Evening at 7:30, "Meeting the Tempter: Victory." All who are not responsible for attendance upon religious services at another church are urgently invited to be present in these which are in course of the mid-winter revival. There will be a warm welcome for all.

J. E. Youel.

#### Revival at Bay City.

The revival meeting now in progress at Bay City, under the leadership of Christian Evangelist, Frank E. Jones, of Eugene, Oregon, is growing in interest daily, and splendid results have already been seen.

Evangelist Jones is said to be a forceful speaker who has an unusual knowledge of the Sacred Book and an impressive manner of presenting the facts of the word. Mr. Jones' services are not given over to the emotional as is often the case in revival work but bible teaching is given the first place in every program.

The evangelist carries a large collection of artistic charts by the help of which he fixes the facts and lessons in the minds of the hearers.

Song leaders and musicians from Tillamook are assisting local talent in the music and the singing is an inspiration. The meeting will continue indefinitely.

#### Dairymen Hold Meeting.

The meeting called by the different co-operative cheese factories at the court house on Wednesday, brought together a large attendance of dairymen, the court house being packed.

William Maxwell was chosen chairman and B. L. Beals secretary.

School Superintendent Lamb called the meeting's attention to the effort that was being made to kill gophers and moles.

The meeting unanimously opposed the bill now pending to change the terms of the circuit court and favored the bill that is being drawn by State Senator T. B. Handley to create an office of a dairy herd inspector for Tillamook County, and Fred C. Baker was authorized to go to Salem with the object of waiting on the Tillamook delegation.

A number of matters were taken up at the meeting that pertained to dairying, as well as matter that only belonged to each co-operative factory. There were those who had trival grievances against the secretary-salesman and the inspector, while on the other hand there were a number of dairymen who counseled the spirit of co-operation, for it was freely predicted that if the co-operative system went to pieces it would be a serious matter for the dairy industry of Tillamook. A committee was appointed to ascertain why the Cloverdale factory pulled out and another committee was appointed to hear all grievances against the secretary-salesman and inspector, to report at another meeting of the association.
