Charity Board Meets.

The first regular meeting of the board of directors of The United Charities of Tillamook, was held last Tuesday evening with a good attendance of the members, which includes twenty-seven representative people.

Reports of work accomplished and proposed were given and some plans were outlined for effectively carrying out the purposes of the organization. Among them is the policy to encourage the contribution of organizations, business firms and individuals toward the work of charity in the community through the common agency of this organization, instead of making their gifts in response to the many promiscuous appeals which are frequently presented. This will protect the people, and result in not giving less perhaps but in helping where there is real need and after careful investigation has been made. The Finance Committee which is composed of Mr. C. J. Edwards, Mrs. F. R. Beals and Mrs. M. W. Harrison, will work out the system which it is hoped will meet the approval of the public. The Treasurer is Mr. Thad Robinson who may be found in the Tillamook County Bank where contributions for the Charity Fund may be left at any time.
