### WHERE HEROES DIE.

The Fate That Firemen On a Warship Are Liable to Meet.

The soldiers that fight with least recognition in the battles at sea are the stokers of the destroyers running at full speed. Eight men work under the command of a stoker petty officer in a space so narrow that movement of any kind seems impossible. There is a furnace in front and one in the back. Sandwiched in between is a maze of levers, pipes, pumps and gear. Yet within these close quarters the stokers find space to perform their heartbreaking toil in an atmosphere almost too hot to breathe, says the Popular Science Monthly. When the men are at their posts the iron hatch is closed down, and the air sucked in through a ventilator has to pass through the furnace before it gets to them.

So long as the pumps work well and the evaporated water is displaced with automatic regularity by fresh air neither the tubes nor the boiler casting can get dangerously hot. But sometimes without apparent cause the water slowly descends below the level. Sometimes the cause of mischief is a leakage—a pipe broken or a joint strained that allows the water to escape.

If it can be remedied, well and good. But if not the water continues to drop steadily the stoker petty officer has but one duty to perform—to keep the hatchway from being opened by the frenzied stokers, thus allowing the flames to escape and destroy the entire vessel. The heroes who perish in the stakeholds like so many rats caught in a fiery trap are not even listed.

### Notice to Creditors.

Notice is hereby given, that I have been appointed administrator with the will annexed of the estate of Leone Dutton Morrav, deceased, by the County Court of Tillamook County, Oregon. All persons having claims against said estate are required to present them to me duly verified within six months from the date of this notice at my office in Tillamook City, Oregon.

Dated this February 1st, 1917.  
H. T. Botts, Administrator.

### PROOF FROM FOREST GROVE

Forest Grove Citizens Speak out Publicly.

In Forest Grove we find that people are praising Doan's Kidney Pills highly. Being so near by, the statement of a Forest Grove resident is of particular interest. Tillamook People will do well to profit by Mr. Haynie's experience.

John F. Haynie, county road commissioner, Forest Grove, Ore., says: "Several years ago, I was given up to die with complication of kidney and bladder troubles. Words couldn't begin to explain what I went through for nearly a year. After taking about twenty boxes of Doan's Kidney Pills in succession, I was restored to my former, good health and today I can hold my own with any man. I give Doan's Kidney Pills full credit for my present good condition. This medicine has no equal and I always recommend it to others. I hear complaining of kidney trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Haynie had. Foster-Milburn Co., Props, Buffalo, N. Y.

### For a Bilious Attack.

When you have a severe headache, accompanied by a coated tongue, loathing of food, constipation, torpid liver, vomiting of partly digested food and then bile, you may know you have a severe bilious attack. While you may be quite sick there is consolation in knowing that relief may be had by taking three of Chamberlain's Tablets. They are prompt and effectual. For sale by Lamars Drug store.

### TILLAMOOK ASTONISHED BY MERCHANT'S STORY.

A merchant relates the following: "For years I could not sleep without turning every hour. Whatever I ate caused gas and sickness. Also had stomach catarrh. ONE SPOONFUL buckhorn bark, glycerine, etc., as mixed in Adler-ika relieved me INSTANTLY." Because Adler-ika flushes the ENTIRE alimentary tract it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICK-EST action of anything we ever sold. I. S. Lamar, druggist.

**Catarrh Deafness Cannot Be Cured**

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure catarrh deafness, and that is by a constitutional remedy. Catarrh Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood of the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrh Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c.
