**THIS BIG SALE

and many of you will wonder why when it is a well known fact that prices on all lines of merchandise are steadily advancing. Mr. Haltom has been in business here many years, and has always given the people high quality merchandise. In order to sell you goods at the lowest possible price he must secure a great deal of this merchandise from Eastern Manufacturers and wholesalers and pay for it promptly. For that reason rather than borrow money he has decided to turn thousands of dollars worth of merchandise into cash, and at the same time give the people the benefit at a time when they most need it.

BARGAIN BALCONY.

We have established a special Bargain Department on the Balcony. Hundreds of people will visit the Balcony daily, as great quantities of merchandise will be placed there from all over the store at great bargain prices during this mammoth sale. Don't fail to see the goods on the Balcony.
