

Life Insurance for Your Live Stock!

HARTFORD INSURANCE THAT INSURES.

You can now insure the lives of your work horses and dairy cattle. This new form of protection has recently been added to the ever-increasing service of the "Two Hartfords." It covers death from any cause whatever—Disease, Accidental Injury, Fire, Tornado or Lightning. It includes farm and other work horses, mules and DAIRY CATTLE.

Those who depend upon such stock for their livelihood will welcome protection of this kind, in a company of such financial strength and so enviable a record for the prompt and fair adjustment of losses.

You insure your buildings against fire and tornadoes, your crops against hail, yourself against accident, sickness and death. Do not neglect your live stock, which contributes so much to your income. Live stock insurance costs surprisingly little.

See Rollie W. Watson, the Hartford Agent, to-day and be on the safe side.

We take great pleasure in advising you that arrangements have been perfected whereby the Hartford Fire Insurance Company and the Hartford Accident and Indemnity Company, the "Two Hartfords," are now in a position to write insurance covering owners in event of loss arising from the death of Horses and Cattle from any cause.

The "Two Hartfords" have resources exceeding \$30,000,000 and are prepared to offer to owners of live stock facilities which have never been hitherto approached in the business of live stock insurance. Not only will all contracts issued be backed by financial resources which are practically unlimited, but policy holders will, also, have the guarantee of fair and liberal dealing established by the record of more than one hundred years of honorable business history. The "Two Hartfords" will be able to issue policies for amounts adequate to protect the interests of owners of valuable stock.

Your patronage is solicited, and communications bearing upon any phase of live stock business will have prompt attention. The "Two Hartfords" offer largest assets, unsurpassed service and unequalled reputation.
