The Most Sensational Slashing of Prices EVER HEAD OF FOR A SEVEN DAY FENCED SLAUGHTER

7 DAYS. SALE! 7 DAYS.

Doors Open and Sale Begins at 10 A.M. SATURDAY, March 17

Read Every Word on these Two Pages.
They tell you of a terrific seven day slaughter sale I am going to conduct at Halton's Store, the like of which it has never been your pleasure to see in this good old town. The race to this merchandise massacre will begin next Saturday Morning at 10 o'clock, and for Seven Days the slashing of prices will go on. Tell your friends. Phone your neighbors. Spread the glad news. Whatever else you do be here when the doors open, for we are sending this notice to thousands of people and the sensational prices will crowd the store.
Sale begins next Saturday, March 17, At 10 A.M.

NOW LISTEN TO ME.
There is a condition in the world to-day that has never been before. Prices in this country are advancing beyond bounds. Merchandise of all kinds is growing scarce. Many lines the retailer cannot secure at many reasons retail merchants are not putting on special sales. They are not in a position to do so. I have never seen such a sale as this one. There is only one reason for it. I must sell \$5,000.00 in 7 days. My instructions are that I am forced to do it. I have no other alternative. I wish I had, because it is a shame to sacrifice merchandise in this way.

The Days You have been Waiting for.
An old colored woman once said: "There is a heap of human nater about white people." Many of you have been waiting for these days to come, because you thought there would be a time when my final lowest prices would be made. I have selected the 7 days beginning Saturday, March 17, during which the bargains will melt away as the snow in June. I have other calls pressing me. The time is growing short. We come now to the big 7 days—the days thousands of dollars of this merchandise must be sold. Some lines will not last until noon on opening day. Some may last all day. There is only one thing one you to do next Saturday, and that is to be here when the door opens and remain until you secure everything you want.
