During this Great Money Raising Sale which I have been conducting for Mr. Haltom I have offered you many Bargains which were absolutely staggering in their price reduction, but on Saturday I am going to beat all previous offerings to atoms.

In every Department of this store, and particularly on the BARGAIN BALCONY you will find merchandise priced so low you'll wish your purse was twice as big and ten times as full.

The steady buying of the last week has reduced many lines to vanishing point; in sized goods there are broken lines innumerable; and in yard goods there are hundreds of remnants of desirable lengths. Now all these broken lots and short ends are priced lower than ever to effect a speedy and entire clearance.

In addition, I have taken the entire stock of Ladies' New Spring Suits, Coats, Dresses, Skirts and Millinery and for One Day Only (Saturday, March 31st, beginning at 10 a.m.) will offer them at the most sensational price reductions you ever heard of being put on New Goods, most of which has not been in stock more than one or two weeks.
