We cannot mention the maker's name, but you will recognize the shoes when you see them. They have never before been advertised at a cut price, and today are worth every cent of the regular price. There are three styles—a lace shoe with black kid vamps and champagne tops; an 8in. button shoe in grey kid with top of a slightly lighter shade than vamps, and an 8in. top lace shoe in black kid. All perfect Styles.
