Ship Draftsmen Wanted. The United States Civil Service Commission is making an extraordinary effort to supply the needs of the Navy Department for ship draftsmen. Millions of dollars are available for construction, but all ship building work undertaken at the government yards is retarded by a shortage of ship draftsmen. Salaries range from \$3.28 to \$6.00 and over per diem. Age limits 18 years or over. About thirty vacancies exist at the Puget Sound Navy Yard, Bremerton, Washington. Until further notice applications will be received by the United States Civil Service Commission, Washington, D. C., at any time. Papers will be examined immediately upon their receipt and a rating will be assigned to the competitor. Those who are found to be qualified will be offered employment at once. Application Form 3712 and full information may be secured from the secretary, 11th Civil Service District, Seattle, Washington; or from the local secretary, Board of Civil Service Examiners in this city. All qualified persons not now employed on government contracts are urged to apply.

Surpriser Surprised. During the week Mrs. C. Ebersold, of Rockaway casually invited a number of her lady friends to spend Wednesday afternoon with her. They all came, and were nicely settled, crocheting and chatting away when imagine their surprise on being asked to come to the dining room, and there was a most bounteous feast spread for their consumption. There was a very fine looking cake in the center of the table decorated with markings that were plainly figures. During short absences of the hostess, from the room the guests decided they were celebrating Mrs. Ebersold's birthday and the surprise was on them. So they plotted. After a most enjoyable afternoon they departed leaving their hostess to think that they had not discovered her surpriser.
