FAIR NOTES.

Get Ready for the Big County Fair to Be Held August 28, 29, 30, 31.

It is not too early to think about making an exhibit at our next County Fair. Begin to select your grasses now and have all varieties included in your exhibit. Select the best from the different crops; have the necessary varieties represented; have everything neat and in good order, so that it may be attractively arranged for exhibition. Be careful to have all samples correctly labeled.

In preparing for fair exhibits, the first thing for consideration should be, the selecting of the best material possible; second to have it neatly put up, and exhibited. The object of County and State Fairs are to furnish object lessons for better work, larger yields, designating the crops best adapted to the local climates and conditions. But in no way can this be done so effectively as by placing the best products of farm, garden, and factory on exhibition for public inspection.

Urge every person in Tillamook County to set forth their best efforts, and begin now, as no time in the history of our country has it been so essential as it is now, to strain every effort to make the soil produce the maximum. Everyone should make an exhibit this year, and take a special interest in the fair, as by so doing you perform a patriotic duty to your country, as well as partake of the high premiums set out for such exhibits. All departments are represented. "Win a Prize." Any assistance or information regarding preparations or exhibiting will be gladly given by the manager. Write me to-day, in what exhibits you will be interested so I can put your name on the mailing list, as subjects of interest will be taken up from time to time between now and fair time. This information will be available to you, at the present as well as in the future. Don't fail to get your name on the exhibitor's list, do it now. Mail all communications to Ben Kuppenbender, Mgr., Tillamook County Fair, Tillamook Oregon.

98th Anniversary I. O. O. F.

The 98th anniversary of Odd Fellowship in America was fittingly observed by the lodges of the order throughout the county last Thursday evening. Tillamook lodge had a very fine program, after which a bounteous feast was served in the banquet hall. The entertainment proved much fine amusement as well as serious food for thought along the lines of Odd Fellowship. Rev. J. E. Youel delivered an excellent address on "What Our Order Stands For." R. L. Shreve's topic covered "The History of Odd Fellowship." Sister Stranahan spoke for the sisters of the Rebekah Degree. Bro. Tinmerstet gave a recitation. Bro. Watson spoke of the Encampment and financial condition of the order. Sister Myers rendered an instrumental selection. Miss Bulah Sumerlin and sister Page both rendered excellent vocal solos and Bro. Henderson gave a fine recitation. After the banquet the younger folks enjoyed dancing until the early hours of the morn. Taking everything into consideration the 98th anniversary was most fittingly observed in Tillamook.

A Symbol of Health.

The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. For sale by Lamar's Drug Store.

"Chamberlain's Tablets Have Done Wonders for Me."

"I have been a sufferer from stomach trouble for a number of years, and although I have used a great number of remedies recommended for this complaint, Chamberlain's Tablets is the first medicine that has given me positive and lasting relief," writes Mrs. Anna Kadin, Spencerport, N. Y. "Chamberlain's Tablets have done wonders for me and I value them very highly." For sale by Lamar's Drug Store.

Tillamook Delegates in Portland.

Several delegates from Tillamook county attended the Good Roads Boosters meeting at Portland on Saturday, as well as the annual meeting of the Insurance Federation. Among those from this county were C. J. Edwards, County Commissioner Reed, Rollie W. Watson and A. C. Everson. How anyone could attend

the good roads meeting and not be an out-and-out booster for the State bond question to be voted on June 4th is short on business sense. Saturday was certainly a busy day in Portland for delegates; this is what happened to your correspondent: Up at 5:30; breakfast and down town at 7; got a line up on the day's work and program which continued from 9:00 a.m. to midnight. This included a visit

to Good Roads headquarters in the Selling Bldg., the Insurance Federation headquarters in the Chamber of Commerce Bldg., meeting and election of officers at Multnomah Hotel from 10:30 to 12:30; trip over the Columbia Highway in the afternoon and banquet at night. Anyone that has not taken the trip over the highway should avail themselves of the opportunity as soon as possible. I

would say, that if this trip were made before June 4th, everybody in Oregon that was so fortunate as to make this trip would surely vote for the bonds.
