# IT'S A SHAME To Sell at these Prices

But this Great STOCK REDUCTION SALE is an Absolute Business Necessity.

JUNE 8th and not one full week of fine weather have we had this year yet!! That is the reason—pure and simple—why this GREAT STOCK REDUCTION SALE must be held.

Knowing that the prices of merchandise would steadily advance we bought heavily in all lines in order that your needs this year would be amply protected at the old prices. The goods are now here, but "Old Sol" has failed us and we have only a very short season left in which to dispose of a larger stock of NEW GOODS than has ever been carried by this store at any time.

Buy all your Summer needs now and save on every purchase—our loss is your gain.
