The County Court has been advised that the road between this city and Garibaldi has been designated a post road, Mr. Bozorth, of Bay City, appearing before the commission last week. This makes the entire road through the county a post road and subject to state aid. Beaver Accepts Invitation.  
Mr. F. C. Baker, Tillamook, Ore.  
Dear Sir:—We received the invitation to participate in the 4th of July patriotic demonstration in Tillamook City. We brought the matter up at our Grange on Saturday and voted to go and take part in making it a great event for Tillamook. I was appointed chairman of a committee of three to arrange anything necessary to help in a program that you as a committee wish. We thought if you would like we would get a dozen or more of our best singers to sing "We are Tenting Tonight on the Old Camp Ground," or some good song for the occasion and the writer would give a ten minutes patriotic speech. Now if you wish us to do this; let me know and I will try and get up something good for you.  
Yours truly,  
R. Y. Blalock.

Charley Chaplin Parade.

**Work For Honor Guard Girls.**  
The Honor Guard Girls are working in conjunction with the Associated Charities of Tillamook, and have taken over the work of supplying clothing to needy people in town and in the country. On Friday afternoon they will canvass the town and get a list of the people who have any old clothes, and some day next week will collect them. The girls sewing class, under the direction of competent women, will make the clothes over so that there will be no waste through neglect in making them.  
Gather up all your old cast off garments, and help the girls in their work. If you are not called upon, call the leader, Ethel Gaylord, or the Corps Captain, Evelyn Hoag, and they will see that someone calls for anything that you may have. If you know of any families that need help the girls would appreciate any information that you could give them.
