## \$25,000 WORTH of NEW, High GRADE Merchandise in my Gigantic \$50,000 BARGAIN SALE.

Doors Open and Sale Starts at Sharp 10 A.M. Saturday, Nov. 10. Come here Now and Select Your Share, Because Goods are Growing Scarcer and Harder to Get.

### CAN SOME PEOPLE SEE BARGAINS?

After the enormous business we had last Saturday I am convinced that a great many people can. I heard one woman remark that she couldn't see any bargains. I heard another one say—she could see lots of bargains, if she only had the money. There were plenty of them and hundreds of people bought them. Emphatically my \$50,000 BARGAIN SALE is a BARGAIN SALE. I will have hundreds of Bargains, in plain view beginning next Saturday and if you can't see them, better consult an OCCULIST AT ONCE.

### The Greatest MARKED SALE in all the World Beginning SATURDAY November 10.

This statement may seem strong to you, but listen. On account of the world war no bargain sales are in Europe, and mighty few in this country. I have been conducting sales and in all that time I have never seen them so scarce. Soon there will be none. I honestly believe what I say, and if you do not take advantage of it won't be my fault. Now is the time to buy.

### I MUST RAISE \$5,000 IN 7 DAYS.

Some say: "Why hold a Sale, if goods are growing scarce and harder to get." That's true; but never-the-less it does not pay wholesalers and manufacturers—they must have their money, war or no war. I must raise the money and do it in 7 days. I can do it easily if alluring Bargains appeal to you. I must raise \$2,000 of this amount next Saturday, the RED TAGS and THE BIG PRICE CARDS ON \$25,000 worth of splendid Merchandise point the way to bargains you cannot resist. The entire store will be ablaze with genuine, old fashioned bargains.
