Pythian Banquet at Nehalem.

Monday evening a delegation from Marathon Lodge No. 89, Knights of Pythias, visited Nehalem Lodge No. 102, where they had the pleasure of meeting Grand Vice Chancellor Fred Johnson, and Brother Jaloiff, of Astor Lodge, No. 6, of Astoria, Oregon, the home lodge of Past Grand Chancellor John O. Bozorth, of Bay City. The lodge was called to order promptly at eight o'clock by Chancellor Commander Effenberger. Among other lodge business they had the pleasure of hearing the K. R. & S. read a list of fifteen new applicants for the honors of Knighthood in Nehalem lodge, No. 102. Work was put on in the Second Rank, after which all assembled in the banquet hall, where the tables fairly groaned under the many good things which the good people of Nehalem know so well how to prepare. Remarks, not set speeches, were the order of the evening, the only restrictions were that no excuses were to be entertained by the toastmaster. Then came the solemn and impressive moment when Grand Vice Chancellor Johnson, he of the soft voice and with the love of Pythianism shining in his eyes and in every word he uttered, in behalf of the Grand Lodge of Oregon, presented Past Grand Chancellor John O. Bozorth with the jewel of a Past Grand Chancellor, to show him in what esteem he is held by the Grand Lodge of Oregon. This came as a surprise to Brother Bozorth, and it was truly a vision long to be remembered when this man, who has been a Pythian for over forty years, choked with emotion, arose to reply and to extend his heartfelt appreciation for this most generous gift. Surely the events of Monday evening will not pass away like a dream of youth, but will be with us through all the years another link in the golden chain that binds us to this glorious Brotherhood.

Tillamook Weather.

The local weather observer, Virgil Fendall, reports that the rainfall at Tillamook for November was 8.68 inches. This is almost 4 inches less than for the same month last year, and also 4 inches less than the average rainfall for November during the past four years. In 1915, the records show that almost 19 inches of rain fell here during November.

That Tillamook has had an unusually dry autumn is shown by the fact that the rainfall for September, October and November of this year was but 13.88 inches, 4.2 inches less than for the same months last year, and almost 8 inches less than the average for these months during the past four years.

The local records show that most years less rain falls here in December than in November.

Farewell Party.

J. E. Klinefelter was the guest of honor at a farewell banquet Saturday evening, given by Mr. and Mrs. T. E. Walker of the Hotel Ramsey. A number of the Woodmen of the World and their wives were present, Mr. Klinefelter being a very enthusiastic member and worker of that order.

He left Sunday for The Dalles, Or., to join his family.

The dining room was prettily decorated with ferns and evergreen and the letters W. O. W. were very conspicuously arranged above the doors. F. H. Matthews acted as toastmaster

of the evening. Each guest responded to their name at the close of the banquet and varied toasts were given. Several vocal selections were rendered by Miss Lila Stevenson accompanied by Mrs. Walker on the piano.

The following were present: Mr. J. E. Klinefelter, T. Epplett, Mr. and Mrs. E. U. Wagy, Mr. and Mrs. J. F. Powers, Mr. and Mrs. L. J. Winters, Mr. and Mrs. F. H. Matthews, Mr. and Mrs. C. W. Wagy, Mr. and Mrs. A. L. Dickey, Mr. and Mrs. T. E. Walker, Ralph Edwards, E. J. Lucas and J. Rutgers. The guests departed at a late hour voting Mr. and Mrs. Walker royal entertainers.

Red Cross News Notes.

The Red Cross has two very busy afternoons, Wednesday and Friday of last week. Many hands were busy cutting, basting, machine sewing, hospital garments and various other supplies this society is making. Ladies can choose the afternoon most suited to their convenience. The organization asks all who are interested to save their receipts from the purchases at Halton's until Saturday and give their votes to them. Every vote counts for two on that day. They hope thus to win the Bond offered by that firm.

The Crystal Laundry Co., has offered to do all laundry work for the branch without charge. This is very much appreciated.

The interest over the county in auxiliary organization increases. These have been effected in:

Bay City—Chairman, Mrs. Roy Brock; Mrs. Watt Sec.; Mrs. Ashley, Tres.

Beaver—Chairman, S. C. Wood; Sec. Mrs. Gilbert; Tres. Mrs. Goldsworthy; Sewing chairman, Mrs. J. D. Davis.

Brighton—Chairman, Mrs. Curtis; Sec. Mrs. Watt; Tres. Mr. Watt; Sewing Chairman, Mrs. Rowe.

Cloverdale—Chairman, Mrs. Lunquist; Sec. Mrs. Albert Wade; Tres. Mr. High; Sewing Chairman, Mrs. Shearer.

Nehalem—Chairman, Mrs. Pogue; Sec. Mrs. C. A. Anderson; Tres. Mrs. O. F. Knight; Sewing Chairman Mrs. C. E. English.

Wheeler—Chairman, Mrs. Demaree; Sec. Mrs. R. H. Cady; Tres. Mrs. Patchell; Sewing Chairman, Sustin.

The regular monthly meeting of the association will be held in the city hall on next Tuesday evening at 8 p.m.

AGRICULTURAL NOTES.

By R. C. Jones, County Agriculturist.

Important Agricultural Meeting.

The annual meeting of the County Agricultural Council will be held at the Court House on Monday, Dec. 17th, at eleven o'clock a.m. The following program will be carried out. President's address, Charles Kunze, President of Council.

The present situation and how the farmers of the county can be more effectively mobilized to meet the needs of the Nation—Paul V. Maris, State Leader of County Agents.

Luncheon at High School, served by Home Science Class.

Report of County Agent for 1917—Roy C. Jones.

Election of officers for 1918.

Everyone interested in the welfare and development of the county and in the government's efforts to meet the demand for food is invited to be present. The Council, together with local town committees, has been designated, by the State Council of Defense, a County Food Supply and Conservation Committee. The Administration is looking to organizations of this kind to act as leaders in carrying out the food and other defense campaigns in the county. It is especially desired that all members attend. This war is just started, so far as the American people are concerned. The demands and sacrifices required of us in the next few months or possibly years, will be greater than ever. President Wilson has said: "This war will not be won by armies but by the united efforts of all the people of the Allied Nations."

Owner and name of cow	Breed	Age	Fresh	lb Milk	Pet Fat	lb Fat
C. W. Tilden, Grace	G. J.	7	Oct.	1176	5.0	58.90
Jos. Durrer, Baby	G. J.	11	Mar.	995	6.5	58.82
C. W. Tilden, Bess	G. J.	8	Oct.	1116	5.1	56.22
Jos. Durrer, Dot	G. J.	4	Mar.	797	6.7	53.49

Carl Hunt, Scrub	G. H.	6	Sept.	1290	3.2	41.28

Tillamook County has responded well to all the demands of the administration, so far. Let us all unite in making this county a big factor in winning the war by so organizing this work of this council that it will be more effective along these lines. Professor Maris has been in conference with the authorities at Washington and will give us something worth hearing.

Make the turn out large at the meeting next Monday.

Report of Tillamook Cow Testing Association for November.

It is getting the time of year when many of the cows in the county are going dry and resting up for next year's work. As a result of this, we find the list of honor cows reduced to a dozen this month. Two cows in Mr. Durrer's herd, freshening last March, are still making over fifty pounds of fat per month. This is fine persistence. Mr. Durrer has not obtained these results by any haphazard guessing methods. His herd has been in the association ever since it organized. He has applied what he has learned from the records and is getting results.

There were 644 cows tested this month with an average production of 21.32 pounds fat from 423 pounds milk. The high herd average of 32.94 lbs. fat is being milked by three cows. He is only milking three cows. The second high herd is that of Jos. Durrer whose thirty-eight cows averaged 31.32 pounds fat. The low herd of fourteen cows made only 12.14 lbs. fat per cow.

The honor list follows.

H. T. Botts, Pres. Attorney at-Law.
John Leland Henderson, Secretary Treas., Attorney-at-Law and Notary Public.

The Darwinian Theory.

A little girl wrote the following composition on men: "Men are what women marry. They drink and swear and smoke, but don't go to church. Perhaps if they wore bonnets they would. They are more logical than

women, also more zoological. Both men and women sprang from monkeys, but the women sprang further than the men."—Ladies' Home Journal.

Chamberlain's Tablets.

Chamberlain's Tablets are intended especially for stomach troubles, biliousness and constipation, and have met with much success in the treatment of these diseases. People who have suffered for years with stomach trouble and have been unable to obtain any permanent relief, have been completely cured by the use of these tablets. Chamberlain's Tablets are as so of great value for biliousness. Chronic constipation may be permanently cured by taking Chamberlain's Tablets and observing the plain printed directions with each bottle. For sale by Lamar's Drug Store.
