Salvage Present Method of Conducting Rural Fred H. Taylor Free Delivery Service Held Expensive Washington, Dec. 8 .- Maintaining Carlos A. Mann and Lewis Monthat the present method of operating ; the rural free delivery service is extravagant and wasteful; that carriers are paid 33 per cent more than the Defendants. Under and by virtue of decree of service is worth and estimating that he can save not less than \$20,000,000 foreclosure and sale entered by the a year, the Postmaster-General in his District Court of the United States

vice averages \$.1510, a difference of nearly 5 cents, Rural carriers cover 1,112,580 miles daily, and if rural service could be operated at the present Court House in Linn County,

Big Saving Held Possible. The actual saving on this item alone vould be practically \$17,000,000, to which he adds another \$2,000,000 that would result from curtailing the allowance for substitutes.

The Postmaster-General says further that star route service, as a rule, of the Willamette Meridian in Oreis performed over rough and mountainous country, while rural service is maintained over good roads. He says

rural service on a contract basis could be performed for even less than star route service.

There can be no resignation or declination to perform service, as so frequently occurs in the rural delivery

"The records of the department indicate that service is as well performed by contractors as by postal employ-
