Bees to Help Win the War.
Ward H. Foster, of the U. S. Dept. of Agriculture, will be in town on Monday, March 25th, and address the people of the county on Bee-keeping. Everyone who has been or has a place where they can keep bees is urged to attend this meeting. With the present shortage of sugar, all forms of sweets are of great importance, and the bee is willing to help "can the kaiser" by gathering the sugar from our wild flowers and putting it in a form for us to use. An ice cream house in Portland is using honey for sweetening their product and it can be used in place of sugar in almost any article of food. Almost anyone has room for a few stands of bees and time to take care of them. Let us have everyone who has bees and all others who are interested in attendance at the meeting at the court house, Monday, March 25th, at 1:00 p.m.

Reported last week 13 schools, with 533 members, making 604 members to date.
The pupils of the Fairview School mailed another lot of those beautiful and interesting scrap books to an American Hospital "Somewhere in France" a few days ago. These scrap books are very tastefully arranged, and are both interesting and amusing to the sick and wounded in the hospital.
Mrs. J. C. Elliott King, Chairman of the Jr. Red Cross School Committee, of Portland, has sent a list of work that may be undertaken by the Junior Red Cross. Those school organizations desiring more definite instructions should take up the matter with Mrs. F. R. Beals, of the local Junior School Committee.
Dried Fox Glove leaves for medical purposes are in demand and the children could do some Red Cross work by preparing them for the market, and thereby earn a little money for the purchase of Thrift Stamps. Those contemplating this should write O. A. C. at Corvallis, for instructions as to the preparation.
Sphagnum, a bog moss growing along the coast sections of Western Oregon, in demand for use as Antiseptic Dressing. This moss grows especially in salt marshes, and is said to have an absorbent capacity 20 times as great as cotton. Before any of this is prepared samples should be sent to Prof. A. R. Sweetser, of the University of Oregon, for examination. As it

is a moss that grows on cranberry marshes.

Red Cross News Notes.
The Red Cross benefit to be given by the combined clubs of the city will be given on April 5th and 6th, at the Armory. All the committees are hard at work and a good time is promised both young and old. Particulars will appear later in the local papers, watch for further notice.
After the 1st of April the Red Cross rooms will be open only on Tuesday and Wednesday of each week for work. Gardening house-cleaning and sewing will claim a great share of the time of the women from there on.
The Red Cross received instructions on Saturday to collect partly worn garments this week for the relief of the Belgians. Anything with rubber in it, stiff hats, and fancy slippers, are not wanted. With these exceptions any partly worn garment which a human being can wear will be gratefully accepted. It is hoped that each family in turn will contribute something to this work. Look over your clothing, and have what you can give ready for the automobile which will be sent out on Friday and Saturday to collect the clothing. If you are going away from the house, place them on the porch, marked "Belgian Relief."
The Red Cross is very grateful to the Holstein Breeders' Association for the handsome price of \$52.55 which they paid for the Holstein cat auctioned off for their benefit at the banquet Monday night.
The Sunday school Rally at Beaver last Sunday was well attended, and all felt that it was a time of special benefit to Sunday School work. The one which was to have occurred at Mohler next Sunday, will convene at Nehalem on April 7th.
The Civic Improvement Club and Gem Theatre have turned the proceeds from the "Alice in Wonderland" performance over to the local Red Cross. This benefit, together with the benefit exhibition given January 23 by the Gem Theatre and Civic Club, netted \$50.26 for the Red Cross.

Sermon on Church Crowding.
At the Methodist Church on Sunday morning, Rev. Chas. E. Gibson gave a very instructing sermon, his subject being "Cause and Cure for Denominational Crowding." He showed that in the early history of the church there were bickerings over trivial and personal matters, and this was no new thing in this day and generation, for a new denomination came into existence every ten years, the outcome of dissension in churches over non-essentials. He thought that every Methodist as well as Presbyterians and Christians and other denominations might modify their ideas and creeds, for after all it was the bickerings within the church that had brought about a most serious situation, with one church striving against other churches for supremacy. There was a sad lack of co-operation with often bitter rivalry between different churches and church members, and the rev. gentleman said it was no wonder that people kept away from churches when there was so much strife and bickering. Mr. Gibson said one of the things that had caused so much bickering was the question of baptism, and it was here where there was so much division, so much so that persons outside the church looked on in wonderment and kept away from them. He referred to the different methods of baptism, being submerged in or sprinkled with water. According to the ethics of some churches it was obligatory that a person be submerged before he could be saved. It matters little to the speaker whether a person was submerged under water three times backward or three times face downward, but to him it was whether a person believed in the son of God. As a solution to the overcrowding of churches and the bickering within them, Mr. Gibson thought the best plan was to get back to the time when the church was first started. He deplored the present day rivalry with church people and was one of those who would put aside non-essentials in church matters, even to his own denomination, with a view of uniting the church into one strong body.

SUCCESSFUL HOLSTEIN SALE.
The second annual Holstein sale is now a matter of history. It was without a doubt the most successful sale ever held in Tillamook county. The 16 head of females brought in by the Association, brought a total of \$9,180, or an average price of \$574.00 per head. The sale was topped off by the heifer, Maplecrest High Lawn Korndyke, No. 292405, who was sold for \$1100.00 to F. R. Beals. This heifer is by Pontiac Aaggie Korndyke who has 7 daughters with average yearly records of 1170 lbs. Her dam, Burton High Lawn 2nd, is one of the great producing dams of the breed, being the dam of Ohio's first 30-lb. cow and several other high producers.
She is bred to Friend Hengerveld De Kol Butter Boy, the sire of five cows with records over 1000 lbs., 3 of which are over 1200 lbs. in a year, including Banostine Belle De Kol, the first cow of any breed to make over 1300 lbs. butter.
This heifer breeding is just full of 1000-lb. records, including many of world's record class.
The first 1000-lb. cow of the breed to be owned, so far as we know, in the state was purchased by Ebinger & Son, who bought Nina De Vries Schuling, with 1027.5 lbs. butter for \$825.00. She is bred to a son of Friend Hengerveld De Kol Butter Boy.
Rollie Watson's bull calf, the only male sold brought \$200.00.
The buyers together with the purchases are listed below:

Ruby Pieterje Hengerveld No. 219487 550.00
A very fitting wind up for the successful sale was the Holstein Breeders' Banquet at the Tillamook Hotel, Monday evening. With good eats before them, enthusiasm for the Black and Whites ran wild. Good speeches were made by many present. The climax of the evening's entertainment came when a pure bred Holstein Cat was put up at public auction, the proceeds to go to the local Red Cross. The cat was Tabatha Hengerveld Segis Mooie Korndyke Cornucopia Bees De Kol Watson No. 5255, sired by Thomas Sagis Hengerveld De Kol and "dammed" by everybody. She was bred to Thomas Midnight Mooie and sold for the sum of \$52.55. Bidding was spirited until the directors of the Holstein Association offered \$25.00 for the Black and White and then those present contributed silver enough to make the grand total. The cat was donated by Miss Cordelia Ootfield.
Any one wishing to buy one of the offspring of this wonderful Red Cross Holstein Cat should apply to Mrs. A. S. Mapes, who is custodian of the cat. Already one of the kittens is spoken for.

Black Cat Adds \$52.55 to Red Cross Funds at Banquet

Justice Burnett; Circuit Judge Bagley affirmed.

Johanna York, administratrix of estate of Lewis York, appellant, vs. Southern Pacific Company; appealed from Tillamook; petition for rehearing denied; opinion by Justice Moore.

Tillamook Erects Liberty Temple.
The Liberty Loan enthusiasts of Tillamook City arranged for the erection of a Liberty Temple and on Tuesday morning the work was started on a building where Heaston's barber shop was located. All of the carpenters in the neighborhood volunteered their services and the carpenters and others were a busy bunch when work started in the morning. A large crowd assembled and became quite interested in seeing the building erected and the large number of citizens who were doing their "bit" to have the building finished that evening. At noon dinner was served in the Guild Hall of the Presbyterian church.
Notwithstanding the weather was showery, that did not make a particle of difference, work went along the same as if it had been a bright, sunny day. At six o'clock in the evening the building was finished, painted, with electric lights, and ready for occupancy. The building is 18 by 24 feet with five flag poles at the top. The middle pole will have the Stars and Stripes and the others will carry the flags of our allies—England, France, Italy and Belgium.
The building will be used by the committee having charge of the Liberty Loan drive in the Tillamook bank district. As Tillamook County's quota is expected to be some where near \$200,000 this will entail a good deal of work on the several committees, but the people in all parts of the county should heartily respond and buy liberally of the Liberty Loan bonds.
The ladies organizations of the Christian, Methodist, Presbyterian, United Brethren, Nazarene and Catholic Churches served dinner in the Presbyterian Guild Hall, a large number of persons taking dinner there. The ladies provided the eats, and were successful in taking in \$198.38, which will go toward the expense of building the Liberty Temple. When the building is sold the proceeds will go toward the Red Cross.
The amount of money subscribed for the flag was \$70.67.
