TO THE LIBERTY LOAN WORKERS

State Liberty Loan Headquarters,
Portland, Oregon,
April 6, 1918.

To Ten Thousand Fellow Workers for the Liberty Loan in Oregon:

We set out today upon the accomplishment of a tremendous task—the raising of Oregon's share of that part of the National Defense Fund known as the Third Liberty Loan.

Let us, each one, take to the work in hand with our hearts confident of but one ultimate result—VICTORY.

Let us keep constantly in mind that a prompt and overwhelming subscription to the Third Liberty Loan Bonds is exacted of us. Faltering in this duty is virtually equivalent to an expression of willingness to abandon our boys who are in the trenches, suffering and fighting for us.

Thoroughly sweep the field on the canvass! No man should ask solicitors to come a second time in this effort.

In soliciting subscriptions see that they are enrolled before leaving. A task of this magnitude well begun is half done.

With the Spirit of the First Line Trenches let every man and woman do his or her duty.

"This war," said President Wilson, "must be won, not by the Government, but by the strength of the American people."

In the spirit of "WE-WILL" we will win.

Sincerely yours,

EDWARD COOKINGHAM,
Executive Chairman Oregon State
Central Liberty Loan Committee.

Robert E. Smith,
State Manager.

OREGON'S QUOTA

Fifteen Per Cent of the Population Should Subscribe to 3rd Loan.

The fact that Oregon in the First and Second Liberty Loans shows a percentage of only 8.77 per cent of the population subscribing to Liberty Loans, which was less than the average for the United States, and compares unfavorably with other states, makes it necessary for at least 15 per cent of the population to subscribe to the Third Liberty Loan, in order to bring Oregon into the same standing as her sister states.

Oregon's 8.77 per cent of Liberty Loan subscribers is insignificant beside New York's 16.64 per cent, Chicago's 12.22 per cent and Minneapolis' 12.04 per cent.

Canada's recent "Victory Loan" campaign, translated into the United States method of accounting, shows a percentage of 14.3 of the population subscribing for bonds. Headquarters of the Third Liberty Loan of the Twelfth Federal Reserve District are in receipt of letters, calling attention to the fact that many banks have subscribed to previous loans so liberally that their capacity is somewhat curtailed, and it will be necessary for 15 per cent of the inhabitants of a given community to subscribe to the loan in order to fulfill the desired quota. With the well diffused prosperity on the Pacific Coast, it is felt that this should not be difficult, and from the country districts there should be a higher percentage of subscriptions than from the large, metropolitan centers where there is apt to be a greater proportion of the population living in comparative poverty.

WE MUST OVER SUBSCRIBE

Amount of Loan Estimated for Oregon is the Minimum.

"Rarin' to go" truly describes the frame of mind of the Third Liberty Loan organization of the state on the eve of the big drive.

The loan of three billion which the Secretary of the Treasury has just called for from the Nation is the minimum amount.

"Quotas for different districts will be announced within a few days," says State Chairman Cookingham. The quota of the state is \$18,495,000. Portland will be allotted approximately half the amount or \$9,000,000. While it is apparent that a \$3,000,000,000 loan can be absorbed more readily by the people of the United States than if the loan had been placed at twice that sum, nevertheless I wish particularly to impress upon our small army of volunteer workers and upon every citizen of Oregon that it will be no puny task to raise \$18,000,000."

The Republic's Battle Hymn.
Harry Van Dyke, former American minister to the Netherlands, and now a chaplain in the United States service, has composed an additional stanza for the "Battle Hymn of the Republic." Here it is:

"We have passed the cry of anguish from the victims of the Hun
"And we know our country's peril if the war lords will is done—
"We will fight for world-wide freedom till the victory is won;
"For God is marching on."

Stanfield, Or. (To the Editor.)—I read with a thrill Mr. Van Dyke's additional stanza to "The Battle Hymn of the Republic," and, with the vision of my only son, just passed 20, as he left us a few months ago, eager to go over and do his bit to help avenge the wrongs of Belgium and France, I am constrained to add two more stanzas as my interpretation of America's answer to the cry of anguish.

We have pledged our lives and fortunes

To help freedom's cause advance,
Sent the flower of our young manhood
To the shell-torn fields of France.
We will overcome oppression,
All must have an equal chance.
For God is marching on.

True and loyal hearts are beating.
We are soldiers every one,
And we're a-tan's host defeating
When we overthrow the Hun.
Out from Belgium they're retreating
When the victory we've won.
For God is marching on.

H. E. ALLEN.

HOW RETURNS ARE NOTED

Map System to Be Used During Third Liberty Loan Drive.

Returns from the various counties of the state will be indicated at the Oregon State Central Liberty Loan headquarters, Portland, on a color scheme map, as will every town and district in which a quota has been assigned, by a yellow thumb tack. The counties will have a large headed tack and the districts a small yellow one.

As soon as one-half of the assigned quota has been reached in each town or district a red thumb tack will replace the yellow one on the map. Similarly with the counties on the state map. Each county headquarters will have their own map with the county divided into convenient districts which are to be bulletined likewise.

When the full quota in each town and district is attained it will be designated by a blue thumb tack. This system will afford an accurate check and will indicate those counties and districts of the state which are doing the most effective work in the Third Liberty Loan Campaign.

In each town and district a solicitor will be sent out with the Government household questionnaire upon which is written pertinent facts concerning the individual's ability to subscribe. Should the person be unable to subscribe one-half of the amount estimated that he is able to, a yellow card will be sent into district headquarters. When more than one-half but less than the full assignment has been received a red card replaces the yellow, and a blue card is used when the full quota of the individual has been subscribed. This system gives an accurate and detailed check on every person and the state and county headquarters will know exactly what can be expected and what is being done.

The master map at Washington, D. C. will indicate the advance in each state and the entire country.

Everyman's Pledge.
America shall win this war!
Therefore, I will work, I will save, I will sacrifice, I will endure. I will fight—cheerfully, and to my utmost—as if the whole outcome of the struggle depended upon me alone.

Junior Red Cross Notes.

In addition to the school auxiliaries reported before, the following schools have made application for Junior Red Cross membership:

- Dist. No. 19, Meda, Mrs. Wilson, teacher, 12 members.
 - Dist. No. 26, Hemlock, Miss Larson, teacher, 12 members.
 - Dist. No. 38, Riverdale, Mrs. Mitchell, teacher, 78 members.
 - Dist. No. 50, Bowlder Creek, Miss Bennet, teacher, 10 members.
 - Dist. No. 13, Hebo, Fred Reusser, teacher, 25 members.
 - Dist. No. 31, Bay City, P. H. Wyman, Prin., 86 members.
 - Dist. No. 22, Cloverdale, J. R. Bidgood, Prin., 51 members.
 - Dist. No. 23, Tillamook, Flora Edgar, teacher, 18 members.
- Making a total members in the county of 896.

The County School Superintendent received the Junior Red Cross buttons and has mailed them out to all schools whose membership has been accepted.

Several teachers have been in doubt as to the Chapter School Committee. For the benefit of those who wish to know, we state that the local committee consists of Co. Supt. G. B. Lamb, Mrs. C. J. Edwards, and Mrs. F. R. Beals. All Junior Red Cross communications should be addressed to one of the above persons.

The children of the Fairview school turned in 1500 gun wipes on Saturday. The South Prairie Jr. Red Cross children have completed 47 quilt blocks, 700 gun wipes, 24 wash cloths, 10 blue handkerchiefs, 7 white handkerchiefs, and are now doing other work.

The Riverdale Jr. Auxiliary has col-

lected membership fees from 88 people in the community outside the school. The people there are very loyal. The children are now planning to raise funds to buy a Liberty Bond for the benefit of the Red Cross in lieu of other work. It is a good idea.

The County School Superintendent takes this occasion to urge to all teachers and pupils of the schools to be present and participate in all parades and exercises on April 6, the day on which Tillamook County "goes over the top" in the Third Liberty Loan. The schools have proved to be an important factor in reaching the public in various war activities. Let our schools have a patriotic part in this great Liberty drive. The schools cannot all go, possibly, but as many children as can should be present, and thereby learn another lesson in patriotism.
