

OREGON TO FURNISH 923 MEN

Tillamook County's Quota is 11-- Names of those in Draft.

Nine hundred and twenty-three more Oregon men are to be called to the colors immediately for the National Army.

They will be inducted into the military service from Class one, in the sequence of their order numbers. Orders have been received from the war department by Adjutant General of Oregon that all these men must be entrained for Camp Lewis, Wash., in the five day period beginning April 29.

The 923 men comprise 12.5 per cent of Oregon's gross quota in the first draft.

No county in the state will be exempted from furnishing its proportionate quota of men to meet this call.

At the same time it is announced by the War Department that each county will receive full credit on the next net draft quota for men sent now.

Though men from class one are to be inducted into the service in the sequence of their order numbers, the calling of men actively, completely and assiduously engaged in the planting and cultivation of farm crops, by direction of the President, will be deferred until the need of the new quota.

Following is the official allocation, prepared by Captain John E. Cullison O. R. C., officer in charge of the execution of the selective service law in Oregon, showing the number of men each county must furnish by April 26 to fill the call for 932 men: Baker, 26; Benton, 16; Clackamas, 39; Clatsop, 32; Columbia, 19; Coos, 30; Crook, 6; Curry, 4; Deschutes, 12; Douglas, 24; Gilliam, 8; Grant, 9; Harney, 9; Hood River, 9; Jackson, 20; Jefferson, 6; Josephine, 9; Klamath, 18; Lake, 10; Lane, 37; Lincoln, 6; Linn, 26; Malheur, 18; Marion, 44; Morrow, 9; Multnomah, (outside of Portland) 16; City of Portland, 279; Polk, 18; Sherman, 7; Tillamook, 11; Umatilla, 35; Union, 23; Wallowa, 16; Wasco, 17; Washington, 28; Wheeler, 5; Yamhill, 22;

The bull is Glenwood King of Edgewood, a double grandson of Glenwood Boy of Haddon on the sire side and out of Florham Dame, the highest record daughter of Ne Plus Ultra, with a record of 685 lbs. fat. His 7 nearest tested dams average 664.8 lbs. His dam is one of the 14 daughters of

Help Them Over The Top.

Tillamook County is doing fine in the Third Liberty Loan drive. Liberty Bonds are good investments. Wheat and sugar are needed by our Army as bad as money. Let's help them get these essentials by eating something else. Miss Genevieve Potter, demonstrator in the Home Science for the U. S. D. A., will tell the ladies of Tillamook County the best substitutes to use for the food stuffs needed "over there", and also the best methods of using them. A series of meetings is planned to cover the county. Everyone is certainly near enough some of these places to attend. A lady at a meeting a short time ago said, "My husband will not eat substitutes." Learn how to use them properly and then don't tell him about it but feed them to him. He will never know it. Food can be made as palatable with substitutes as with what we are accustomed to using.

The schedule follows:

Ne Plus Ultra to sell at an average price of \$1375.00 at public auction.

The daughters of this bull will be a great addition to the herds of the county for he is bred for production on both sides. His sire is a full brother to Dairy Maid of Pinchurst with 910 lbs fat at 4 years old, and who has been class leader for that age for several years. Mr. Hunt should be congratulated.

Passing the Buck.

The Colonel tells the Major When he wants something done, And the Major tells the Captain, And gets him on the run. The Cap'n thinks it over, And to be sure an' suit, Passes the buck and baggage To some shave-tail Second "Lieut."

The said Lieutenant ponders, And strokes his downy jaw, Then calls his trusty Sergeant And to him lays down the law. The Sergeant calls a Corporal, To see what he can see, So the Corporal gets a Private, And the poor darned Private's me. So you see I run the business Of this here regiment, I work, 'n sweat until My blooming back is bent, But I don't care, it's all a scheme To fool old Kaiser Bill, So I'll gladly bust this back o' mine, And work 'n sweat until—

We're in Berlin, and the war is won, And we've 'et our belly's fill Of meat, 'n' butter, 'n' lollypops, And the treat'll be on Bill. Then I'll come home and see my gal, An' mebbe she won't care, If I was a first class private— Away off over there. —American Khakiland.

Rainier's SPECIAL A MELLOW BEVERAGE

"It helps one's health!"

RAINIER SPECIAL is a deliciously wholesome beverage—full of life, zip, zest and pep.

Yet, it is mellow and good for one. It's manufactured from choicest cereals—NOT a concocted compound of harmful ingredients.

This is why so many older heads are so fond of it—the flavor beckons their patronage while the new vigor and strength it carries, helps their health!

In thousands of homes now a case is kept, and every member of the family enjoys a bottle or two each day.

If you aren't acquainted with the goodness of this unusual beverage, by all means have a bottle the very first time you are in a place where food or drink is served.

Then order a case for home.

You'll find RAINIER SPECIAL at inns, cafes, soda fountains, drug stores, groceries, department stores, on dining cars and steamships; at cantonments, mobilization camps, naval stations and elsewhere where good things to drink are sold.
