The GREATEST MOTHER IN THE WORLD

Stretching forth her hands to all in need; to Jew or Gentile, black or white; knowing no favorite, yet favoring all.
Ready and eager to comfort at a time when comfort is most needed. Helping the little home that's crushed beneath an iron hand, by showing mercy in a healthy, human way; re-building it, in fact, with stone on stone; replenishing empty bins and empty cupboards; bringing warmth to hearts and hearths too long neglected.
Seeing all things with a mother's seventh sense that's blind to jealousy and meanness; seeing men in their true light as naughty children—

snatching, biting, bitter—but with a hidden side that's quickest touched by mercy.
Reaching out her hands across the sea to No Man's Land to cheer with warmer comforts thousands who must stand and wait in stench and crawling holes and water-soaked entrenchments where cold and wet bite deeper, so they write, than Boche steel or lead.
She's warming thousands, feeding thousands healing thousands from her store; the Greatest Mother in the World—the Red Cross.
Your help is needed—give till the heart says stop.

Contributed to the Red Cross by the First National Bank.
