Messing met with a bad accident at the shipbuilding plant last week. He had the misfortune to fall 25 feet, striking on an iron bar, mashing up his face considerably. He was brought to Dr. Boal's hospital, and under the care of the doctor will pull through. Messing is a married man and his wife and family reside at Vernonia, Ore., and upon hearing of his accident Mrs. Messing motored to Tillamook as speedily as possible and arrived the same night. The men at the shipyard subscribed \$185.00 for the unfortunate man and family. Mrs. Flora M. Walker, wife of Alex Walker, died on May 15th, the cause of death being pneumonia. Mrs. Walker had previously been confined, and her child died on the 10th of May. Deceased was the daughter of F. W. Robitch, of Pleasant Valley, and was a young woman well known in the county. She was married the 5th of June, 1917, but death parted the happy couple. The child was buried the 12th of May and the mother on the 17th of May. Rev. Sumerlin of the U. B. Church conducting the funeral services. The bereaved family have the sympathy of a large number of friends and neighbors. C. E. Mellette, of Pittsburg, Kan., has bought the City Transfer business and will take it over the first of the month. Mr. Mellette came to Tillamook last October to look over the prospects of putting in a cannery and returned a few weeks since to do so, but found that others had already decided to do so. Feeling that there was not room for two at present, he decided, however, to remain in Tillamook and bought the City Transfer. Mr. Mellette is a valuable addition to our community and a live business man and we are sure he will soon have the confidence of our business men and be a booster for the city. Albert H. Follett was arrested on Monday for stealing eggs in Dawson Bros. store. The sheriff and the district attorney believe they have captured the man who has been doing considerable pilfering in the city for a long time. Dawson Bros. have been losing eggs from their store and a trap was set, but until Monday they had been unable to catch the thief in the act. He was first charged with larceny from a building, which is a penitentiary offense, but it was changed to larceny. He pleaded guilty and Justice Stanley fined him \$50.00 and costs which will add another \$10.00 for stealing four eggs. Julian Eltinge, the well known professional woman-imitator, can boast a popularity far greater than might be expected from the fact that he has never appeared in any except large cities and towns. That is, he is a "Big-timer" as they put it in the theatrical world. When Mr. Eltinge made his screen debut recently under Paramount auspices, it was thought that the small towns where Mr. Eltinge had not appeared might not be as interested in seeing him on the screen, but this surmise was found to be absolutely incorrect as thousands of small cities and villages all over the country poured in their inquiries and requests for Mr. Eltinge's pictures. "The Clever Mrs. Carfax," which is his second Paramount photoplay, is scheduled to appear at the Gem Theatre, Sunday, May 26. 21 Tillamook Boys Drawn. 97—Arthur Brown. 98—Marion Darby. 104—Radum Weahovich. 106—George McDonald. 117—Douglas Aitkin. 118—Mark Hobson. 123—Chas. Gage. 184—Otis D. Edwards. 187—Rudolph Bernet. 193—Bradford York. 196—Edw. Marshall. 197—Chas. Makinster. 197—Chas. O. Woods. 209—Willard W. Yates. A brother editor from Cloverdale informed the snap shot man if we expect to live long and happy "just loaf." We don't agree with him, for the snap shot man would rather wear out than rust out.

THE RED CROSS DRIVE.

Tillamook One of the First Counties to Go Over the Top. The Red Cross drive in Tillamook County was as successful as the Liberty Loan Drive, for it went over the top before the drive commenced on Monday. Committees in all parts of the county were at work last week, and on Saturday the Executive Committee was fully satisfied that the city as well as the county, had exceeded their quotas, and Mrs. C. J. Edwards phoned to Portland headquarters that the city had done so and the county would also do so in a day or two. Fred C. Baker, county manager, telegraphed to Portland Monday morning that \$5,200.00 had been raised and that evening sent another telegram stating that Tillamook county had passed the \$6,000 mark. Tuesday morning Tillamook county received the following congratulations from the Red Cross headquarters: Portland, Ore., May 20, 1918. Fred C. Baker, Red Cross, Tillamook. Hearty congratulations and thanks of our soldiers in France. Your district is so scattered we did not expect it so early. Tillamook County has been an inspiration to the entire state. H. L. Corbett, State Chairman. H. E. Witham, State Mgr. The amount of money and pledges turned in and checked over by the secretary, Mrs. C. A. Everson, amounted to \$3,682, up to Wednesday afternoon, but from reports received over the phone and by letters from the several districts which have not completed their work, Tillamook County will subscribe a goodly sum over the quota of \$5,000. As an illustration of his, Brighton is again taking an honored position, for it is reported that \$1,300 have been subscribed in that district. Several of the large districts have not completed their work, but will do so the next few days, so it is impossible to give the exact amount of money raised in the drive at this early date. The Executive Board of the Red Cross extends its hearty thanks to all subscribers who have given so liberally and readily of their means towards the Red Cross, and to the speakers and workers who gave their services so willingly. The Executive Board is cognizant of the kindly spirit and co-operation that prevailed all over the county, and the desire of the people to help the Red Cross, not only with their money but with their assistance. The Council of Defense proved active workers as well as active rustlers, for one committee raised \$1,400 in this district in one day. It speaks well for the people of Tillamook county when they take such great pride and pleasure in doing their bit for the Red Cross, for that was the spirit that prevailed in Tillamook County in the present Red Cross drive, and that is why the Executive Board feel that it is owing the people a word of sincere thanks in appreciation of the kind co-operation that prevailed everywhere, which made the work of the Executive Board that much more pleasant. We want also to thank Mrs. C. J. Edwards and Mrs. C. A. Everson the president and secretary of the Tillamook branch of the Red Cross who have worked so energetically and faithfully to make the drive a success, for in all Red Cross activities we have to take off our hats to the ladies. There is an urgent call for workers in getting out moss for the Red Cross and the Tillamook branch sends out a S. O. S. call for helpers to pick over the moss. There should be two or three shifts each day to keep the work going, and the ladies of the city are urged to help in this work. Portland Red Cross made a request to the Tillamook branch for 200 sacks of moss, to be furnished as quickly as possible. There is considerable moss in the county, and as moss is now considered one of the best absorbents it is being used in bandages. As there is every probability of the Tillamook branch being called upon to furnish large quantities of moss, Mrs. C. J. Edwards, president of this branch, called the Executive Board together, and plans were made to obtain the moss and pick it over. Mrs. Edwards will have special committees for this work. The building vacated by Mr. Pennington has been loaned, which is in every way adapted and fitted for drying and picking over the moss. "The Narrow Trail." One would think that every thrill, every act of reckless dare-devilry, had been injected into William Hart photodramas. However, this famous Western character always figures in some new startling adventures. For instance, in "The Narrow Trail," the initial Ince-Artercraft picture which will be seen at the Gem Theatre on Tuesday, May 28, Hart portrays an outlaw who falls under the influence of a beautiful girl. He loves her with all the desperate passion of which his wild nature is capable, and determines to reform. In doing this,

his source of income is naturally shut off and he is in trying straits for ready cash.

Just at this crisis, a big Rodeo is to be held in a nearby city. A cash prize is offered for the principal event—a "jump in the saddle and away" race—and the outlaw determines to enter himself and his Pinto pony. In doing so he knows he is taking a tremendous risk, as the peculiarly marked pony is known to the sheriff and his deputies; but goaded by necessity he takes a chance, and in the presence of a crowd leaps into the saddle. It is during this wild ride with its throngs of contesting cowboys that excitement rises to its highest pitch. NOTICE. Purchasers of the Third Liberty Loan Bonds are hereby notified that the first installment of 20 per cent is due and payable in San Francisco, May 28, 1918. The Gem's Program for Week. Friday, May 24—"Face Value"—Five reel Bluebird production featuring Mac Murray. "Face Value" is a refined and pleasing photo-play, and those who are interested as to the supremacy of right or wrong, will find and pleasing photo-play, and those ever presented on the screen. Saturday, May 25—"The Avenging Trail"—5 reel Metro production featuring H. Lockwood, supported by Sallie Crute, Walter P. Lewis and William Clifford. A big outdoor picture, taken in the land of big pines. Plenty of fast action and thrills. Adults, 20c. Children 10c. Sunday, May 26—"The Clever Mrs. Carfax"—5 reel Paramount production featuring Julian Eltinge. It will be remembered that Mr. Eltinge is an impersonator, in this play he has a very pleasing role as Mrs. Carfax. You forget he's a man, so clever does he play the part. See this detective story—love, thrills, and adventure all rolled together. Monday, May 27—"Little No-account"—5 reel Vitagraph production featuring Gladys Leslie, who is known as the sunshine girl with a million dollar smile. This is a play with more than the usual amount of wholesome, refreshing comedy and will command your attention from the first flash on the screen until the final fadeout. Tuesday, May 28—"The Narrow Trail"—5 reel Artercraft production featuring William S. Hart. A real live Western play of a decade ago. An effort to "shanghai" the big, rugged Western highwayman results in a fight that for sheer spectacular features has no parallel in screen battles. "Hearst-Pathé News" Children 10c. Adults 20c. Wednesday, May 29—"Molly Entangled"—5 reel Paramount production featuring Vivian Martin. A dainty story of Irish country life. Thursday, May 30—"The Girl With The Champaign Eyes"—5 reel Wm.
